

REQUEST FOR COUNCIL ACTION

AGENDA DATE: February 23, 2026

AGENDA ITEM: Consider approving a Memorandum of Understanding (MOU) with the Public Works Local 49

PREPARED BY: Tom Pagel, City Administrator

BACKGROUND:

Public Works employees currently contribute to a pension plan with the Local 49 Union. They would like to increase the amount they contribute to the plan. Because it is part of the labor agreement between the City and the Union, it requires an MOU which is attached for review.

This MOU does not increase the City's cost.

REQUESTED COUNCIL ACTION:

Make a motion approving the attached MOU with the Public Works Local 49.
