

REQUEST FOR COUNCIL ACTION

AGENDA DATE: February 23rd, 2026

AGENDA ITEM: Consider authorizing staff to request qualifications for engineering services at GPZ Airport

PREPARED BY: Matt Wegwerth

BACKGROUND:

The Federal Aviation Administration (FAA) requires airports to request qualifications and select a firm for engineering consulting services every 5 years. Our previous agreement expired in 2025 and proposals need to be requested/accepted. Staff will begin the process of soliciting proposals, reviewing submittals and recommending a firm. A contract will be brought back to council for final approval.

REQUESTED COUNCIL ACTION:

Make a motion authorizing staff to request qualifications for engineering consulting services at GPZ Airport for a 5 year period.
