

## REQUEST FOR COUNCIL ACTION

**AGENDA DATE:** March 24, 2025

**AGENDA ITEM:** Consider authorizing Grand Rapids Police Department to enter an Interconnection Security Agreement (ISA) between Axon Enterprise and Minnesota Bureau of Criminal Apprehension (BCA).

**PREPARED BY:** Chief Andy Morgan

---

### **BACKGROUND:**

Grand Rapids Police Department has heavily utilized Axon technology for the past three (3) years. The agency relies on Axon for squad cameras, body worn cameras and Tasers. The contracted Axon equipment is extremely advanced and plays a pivotal role in today's policing.

This Interconnection Security Agreement (ISA) is intended to minimize security risks and ensure the confidentiality, integrity, and availability of shared data and systems that have a network interconnection with Axon for the benefit of the Grand Rapids Police Department. This ISA ensures the adequate security of shared data and systems being accessed and provides that all network access satisfies the requirements of the parties.

This ISA allows for Axon equipment to gain safe and authorized access to FBI Criminal Justice Information via FBI's Criminal Justice Information System.

Grand Rapids City Attorney has reviewed such ISA and has no immediate concerns.

Grand Rapids IT Director has reviewed such ISA and has no immediate concerns.

### **REQUESTED COUNCIL ACTION:**

Make a motion authorizing Grand Rapids Police Department to enter an Interconnection Security Agreement (ISA) between Axon Enterprise and Minnesota Bureau of Criminal Apprehension (BCA).
