

## REQUEST FOR COUNCIL ACTION

**AGENDA DATE:** March 24, 2025

**AGENDA ITEM:** Consider accepting a quote from Fair-Play Corporation for a new scoreboard, shots-on-goal board, and transceiver upgrades at Yanmar Arena.

**PREPARED BY:** Dale Anderson, Director of Parks & Recreation

---

### **BACKGROUND:**

The scoreboard in the MacDonald Venue at Yanmar arena is 30 years old, in need of repair, and parts are no longer available. The scoreboards in the Kauppi Venue are 15 years old and in need of transceiver (wireless controller-related) upgrades. Per countless patron requests, we would also to add an additional 'Shots on Goal' board to the south end of the Kauppi Venue. At the March 10<sup>th</sup> regular City Council meeting, an Advertising Agreement with Grand Rapids State Bank was approved which included the funding resources for these scoreboard upgrades. Attached you will find the quote from Fair-Play Corporation for the recommended purchase. A second quote was not obtained as we want consistency by having the same scoreboard and controllers for both venues.

### **REQUESTED COUNCIL ACTION:**

Make a motion to accept a quote from Fair-Play Corporation for \$12,745.00 for a new scoreboard, shots-on-goal board, and transceiver upgrades at Yanmar Arena.
