

To Whom It May Concern,

This letter is to serve as my formal resignation effective immediately from my employment of the position as GIS Coordinator from the City of Grand Rapids. As I begin a new role with the Grand Rapids Public Utilities on Friday December 29th, 2023; I still look forward to working with everyone that I have known over the last 17+ years as a City employee.

Your Truly

A handwritten signature in dark ink, consisting of a large, stylized 'M' followed by a cursive 'L' and 'C', with a horizontal line extending to the left.
