Program Description

The Office of Community Oriented Policing Services (COPS Office) is the component of the U.S. Department of Justice responsible for advancing the practice of community policing by the nation's state, local, territorial, and tribal law enforcement agencies through information and grant resources. The COPS Office has invested more than \$14 billion to advance community policing, including grants awarded to more than 13,000 state, local and tribal law enforcement agencies to fund the hiring and redeployment of more than 134,000 officers. COPS Office information resources, covering a wide range of community policing topics such as school and campus safety, violent crime, and officer safety and wellness, can be downloaded via the COPS Office's home page, www.cops.usdoj.gov.

Community policing is a philosophy that promotes organizational strategies that support the systematic use of partnerships and problem solving techniques to proactively address the immediate conditions that give rise to public safety issues such as nonviolent crime, violent crime, and fear of crime.

The goal of the COPS Hiring Program (CHP) is to provide funding directly to law enforcement agencies to hire and/or rehire additional career law enforcement officers in an effort to increase their community policing capacity and crime prevention efforts. Anticipated outcomes of CHP awards include engagement in planned community partnerships, implementation of projects to analyze and assess problems, implementation of changes to personnel and agency management in support of community policing, and increased capacity of agency to engage in community policing activities.

Applicants will be expected to describe their community policing strategy and request the number of newly hired and/or rehired full-time sworn career law enforcement officer positions necessary to support that strategy. COPS Office funding must be used to reorient the mission and activities of law enforcement agencies toward the community or enhance their involvement in community policing.

FY 2022 CHP awards will cover up to 75 percent of the entry-level salary and fringe benefits for each approved position for a three-year funding period, based on the applicant's current entry level salary levels for full-time officers. There is a minimum 25 percent local cash match (cost share) requirement, unless a waiver is approved. The maximum federal share per officer position is \$125,000 over the three-year period, (not \$125,00 per year) unless a local match waiver is approved. Any additional costs for higher than entry-level salaries and fringe benefits will be the responsibility of the recipient agency.

Funding under this program will support three years of officer or deputy salaries within a five-year period of performance to accommodate time needed for recruitment and hiring. Agencies must retain each CHP-funded position for a minimum of 12 months following the three years of funding for that position. The additional officer positions should be added to your agency's law enforcement budget with state and/or local funds over and above the number of locally funded officer positions that would have existed in the absence of the award. Absorbing CHP-funded positions through attrition (rather than adding the extra positions to your budget with additional funding) does not meet the retention requirement.

The COPS Office will fund as many positions as possible for successful applicants; however, the number of officer positions requested by an agency may be reduced based on the availability of funding and other programmatic considerations.

Funding under this program may be used for the following:

- Hire new officers, which includes filling existing officer vacancies that are no longer funded in your agency's budget. These positions must be in addition to your current budgeted (funded) level of sworn officer positions, and the officers must be hired on or after the official award start date on the notice of award.
- Rehire officers laid off by any jurisdiction as a result of state, local, or Bureau of Indian Affairs (BIA) budget reductions. The rehired officers must be rehired on or after the official award start date on the notice of award. Documentation must be maintained showing the date(s) that the positions were laid off and rehired. Rehire officers who are (at the time of application) currently scheduled to be laid off by your jurisdiction on a specific future date as a result of state, local, or BIA budget reductions. Recipients will be required to continue funding the positions with local funding until the date(s) of the scheduled layoffs. The dates of the scheduled layoffs and the number of positions affected must be identified in the CHP application. The recipient may rehire the officers with CHP funding on or immediately after the date of the scheduled layoff. Unless required by a recipient jurisdiction, the agency is not required to formally complete the administrative steps associated with the layoff of the individual officers it is seeking to rehire so long as the agency can document that a final, approved budget decision was made to lay off those individual officers on the identified layoff date. Documentation must be maintained detailing the dates and reason(s) for the layoffs. Furthermore, agencies awarded will be required to maintain documentation that demonstrates that the scheduled layoffs are occurring for local economic reasons unrelated to the availability of CHP award funds; such documentation may include local council meeting minutes, memoranda, notices, or orders discussing the layoffs, budget documents ordering jurisdiction-wide budget reductions, and/or notices provided to the individual officers regarding the layoffs.

An applicant may request funding in one or more of the above-referenced hiring categories under CHP. If an application is approved for funding, the notice of award will specify the number of positions approved in each category. Once awarded, recipient agencies may not move funded positions between the hiring categories without receiving written prior approval from the COPS Office.

An applicant may not reduce its existing current fiscal year budget for sworn officers just to make use of the CHP award. Any budget cut must be unrelated to the receipt of CHP award funds to avoid a violation of the COPS Office statutory non-supplanting requirement.

The COPS Office is committed to advancing work that promotes civil rights and racial equity, increases access to justice, supports crime victims and individuals impacted by the justice system, strengthens community safety and protects the public from crime and evolving threats, and builds trust between law enforcement and the community.

Federal Award Information

All awards are subject to the availability of appropriated funds and any modifications or additional requirements that may be imposed by law. This solicitation is expected to be very competitive. The COPS Office may elect to fund applications submitted under the FY 2022 CHP solicitation in future fiscal years, dependent on, among other considerations, the merit of the applications and on the availability of funding.

Eligibility Information

Local, state, and tribal law enforcement agencies that have primary law enforcement authority are eligible to apply. An agency with primary law enforcement authority is defined as the first responder to calls for service for all types of criminal incidents within the jurisdiction served. CHP applicants must have a law enforcement agency (ie. Sheriff's Office, Department, etc.) that is operational by the close of this application or receive services through a new or existing contract for law enforcement services through an existing contract for law enforcement services or a new contract for law enforcement services that is in place by the close of this solicitation. Applicants must also maintain primary law enforcement authority for the population to be served. If funds under this program are to be used as part of a written contracting agreement for law enforcement services (e.g., a town that contracts with a neighboring sheriff's department to receive services), the agency wishing to receive law enforcement services must be the legal applicant in this application.

A law enforcement agency is established and operational if the jurisdiction has passed authorizing legislation and it has a current operating budget.

Application and Submission Information

The complete application package (this solicitation, including links to additional documents) is available on Grants.gov and on the COPS website <https://cops.usdoj.gov/>.

Completing an application under this program is a two-step process. Applicants must first register via www.grants.gov and complete an SF-424, the government wide standard application form for federal assistance and the SF-LLL Lobbying Certification Form. The remainder of the application will be completed through the JustGrants System at <https://justicegrants.usdoj.gov/>.

See "How to Apply" and "Submission Date and Time" below.

Applicants are strongly recommended to register immediately on www.grants.gov. Any delays in registering with Grants.gov or submitting the SF-424 may result in insufficient time for processing your application through JustGrants. For technical assistance with submitting the SF-424, please contact the Grants.gov Customer Service Hotline at 800-518-4726, via email at support@grants.gov, or consult the Grants.gov Applicant User Guide at <https://www.grants.gov/help/html/help/index.htm>.

For any attachments, please use appropriately descriptive file names (e.g., Program Narrative, Budget Narrative, Memoranda of Understanding, etc.).

Content and Form of Application

The application in JustGrants consists of a series of questions, as well as a budget worksheet. Below is a summary of the questions that applicants will be required to complete. Applicants are encouraged to read through the online application questions in advance to ensure sufficient time to prepare answers to the questions.

- **Agency Eligibility:** See Eligibility section to ensure that your agency meets eligibility requirements.
- **Law Enforcement Agency Sworn force information:** Applicants will enter information regarding budgeted sworn force strength and actual sworn force strength employed at the time of application.
- **Civilian Staff:** The number of full- and part-time civilian positions funded in your agency's annual budget.
- **COPS-funded Officer Request:**
 - Applicants will be asked to enter the number of newly hired and/or rehired entry-level officer positions necessary to support the proposed community policing strategy. CHP awards are subject to the restrictions described in the Program Description and the Budget Worksheet section, including but not limited to: \$125,000 maximum over three years for each awarded position (not \$125,000 per year), a minimum 25 percent match requirement (unless waived), 12-month retention requirement for each officer hired, and non-supplanting requirements.
 - Requests will be capped at 20% of actual sworn force, with a maximum of 50 officers for any agency. For example, agencies with an actual sworn force of 30 will be allowed to request up to 6 positions. Agencies with fewer than 5 officers may request one position.
 - Applicants should base requests on the current needs in the three hiring categories (new hire, rehire of previously laid-off, and rehire of officers scheduled for lay-off), keeping in mind that once awarded, positions cannot be moved between the categories without prior written approval from the COPS Office.
 - Although hiring military veterans as new hires is not an award requirement, applicants who commit to hiring or rehiring at least one military veteran will receive additional consideration for CHP funding. Under this solicitation, a military veteran is defined as a person who has served in the active military, naval, or air service, and who was discharged or released there from under conditions other than dishonorable. The COPS Office recommends that applicants examine their internal hiring practices to ensure that an officer funded by a CHP award would meet the veteran requirement.
- **Law Enforcement and Community Policing Strategy:** COPS Office funding must be used to reorient the mission and activities of law enforcement agencies toward the community or enhance their involvement in community policing. The COPS Office definition of community policing emphasizes the primary components of community partnerships, organizational transformation, and problem solving: Community policing is a philosophy that promotes organizational strategies that support the systematic use of partnerships and problem-solving techniques to proactively address the immediate conditions that give rise to public safety issues such as nonviolent crime, violent crime, and fear of crime. The COPS Office developed a list of primary sub-elements of community policing. Please refer to the COPS Office Community Policing Defined publication (<https://cops.usdoj.gov/RIC/Publications/cops-p157-pub.pdf>) for further information regarding these sub-elements.

Through a series of detailed questions requiring a narrative response, CHP applicants are required to describe how hiring additional officers will assist the applicant in implementing and/or enhancing community policing strategies. The first set of questions will examine the current policies and practices within the agency as they relate to community policing. The second set of questions will assess the proposed community policing strategy as it relates to the three primary elements of community policing.

Agencies that do not meet a minimum community policing score will not be considered for funding. The minimum community policing score reflects a basic existing commitment to community policing and a strategy to enhance or build community policing capacity.

- **Problem Area Selection:** Applicants will identify and describe one specific problem/focus area from the list below. Selection of certain problem areas will require additional narrative descriptions. Note that selection of some problem focus areas may result in additional consideration for funding (see Application Review Information.) Applicants that select those funding areas will not be allowed to change the problem areas/focus area of community policing strategies after the award is issued.

If awarded CHP funding, your organization should be prepared to demonstrate (1) the community policing activities engaged in prior to the award that are detailed in the application, and (2) how the award funds and award-funded officers (or an equal number of redeployed experienced officers) were specifically used to enhance or initiate community policing activities according to your community policing strategy contained in the question set of this application.

Community policing needs may change during the life of your award. Minor changes to this strategy may be made without prior approval of the COPS Office; however, the recipient will be required to report on progress or changes to the community policing strategy (if any) through required performance reports. If your agency's community policing strategy

changes significantly, you must submit those changes to the COPS Office for approval. Changes are significant if they deviate from the specific crime problems originally identified and approved in the community policing strategy submitted with the application. In some cases, in reviewing performance reports, the COPS Office may identify significant changes in community policing strategies that require an explanation and request for approval.

- **Building Legitimacy and Trust** – Applicant will deploy officers to partner and engage community stakeholders including residents, businesses, and faith-based organizations to prioritize and collectively strengthen a community's response to crime and criminal activity, and focus on enhancing and maintaining community trust and legitimacy between law enforcement and the communities they serve – to include building trust in immigrant communities. Efforts could include deploying or redeploying officers to support officer recruitment and retention efforts, with an emphasis on promoting diversity. Applicants may wish to review the COPS Office web page Building Trust at <https://cops.usdoj.gov/buildingtrust> for ideas on strategies.
- **Violent Crime/Gun Violence** – Applicant will employ community policing strategies to address a range of violent crime problems. Community-based approaches to combatting gun violence that build trust in underserved communities suffering from high incidents of gun crime will receive additional consideration. Applicants requesting additional consideration for gun violence issues will be asked to describe their holistic, community-based approach (which could include applicable task force participation) and may wish to review the COPS Office web page on Community Violence Interventions at https://cops.usdoj.gov/community_violence_intervention for ideas on strategies.
- **Combating Hate and Domestic Extremism** – Applicant will focus on community-based strategies that combat bias-motivated acts of violence that divide our communities, intimidate our most vulnerable citizens, and erode trust in the rule of law. Applicants may wish to review the COPS Office web page on Combating Hate Crimes at <https://cops.usdoj.gov/hatecrimeresources> for ideas on strategies
- **Police-based Response to Persons in Crisis** – Applicant will focus on deploying officers in crisis intervention teams, participation in crisis intervention teams, improving response and interaction with persons in crisis – to include efforts focused on the education, prevention, and interventions related to the abuse of opioids and other substances in communities.
- **Homeland Security** – Building strong relationships with the community can prove vital to preventing acts of terror from domestic and foreign actors. This effort includes the thoughtful deployment of officers to strengthen relationships across the community spectrum as well as practical partnerships and task force participation to protect public infrastructure and enhance security at ports of entry. Applicants may wish to review the COPS Office web page on Homeland Security at <https://cops.usdoj.gov/homelandsecurity> for ideas on strategies
- **Other/Innovations in Community Policing** – Applicants should describe new and promising approaches in community policing that can be advanced through CHP funding.
- **Need for Federal Assistance:** All applicants are required to explain their inability to address the needs identified in this application without federal assistance. Applicants will answer a series of questions about their service population and fiscal health of their area, including operating budget, poverty and unemployment rates, and other indicators of fiscal health.
- **Property/Violent Crime Rates:** Applicants will be asked to enter crime data information for the previous two years for the population area served by the agency, using Uniform Crime Reporting crime definitions.
- **Continuation of Project after Federal Funding Ends:** All applicants are required to affirm that their agency plans to retain all officer positions awarded following the three years of federal funding, for at least 12 months, and to identify their planned source(s) of retention funding. The retention period may begin during the five-year period of performance of the award and may extend beyond the end date of the award. Agencies that do not plan to retain all officer positions under this award program at the time of application are ineligible to apply for CHP funding.

The retention requirement cannot be satisfied through attrition. The retained CHP-funded officer positions should be added to your agency's law enforcement budget with state and/or local funds for at least 12 months over and above the number of locally funded officer positions that would have existed in the absence of the award.

At the conclusion of federal funding, agencies that fail to retain the additional officer positions awarded under the CHP award for a period of 12 months may be ineligible to receive future COPS Office awards for a period of one to three years.

Information to Complete the Application for Federal Assistance (SF-424)

The applicant's SF-424 must be submitted online via www.grants.gov using the information provided on that site.

Note: Intergovernmental Review (SF-424 Question 19): This solicitation is subject to Executive Order (E.O.) 12372,

Intergovernmental Review of Federal Programs. Applicants must check the Office of Management and Budget's website for the names and addresses of Single Points of Contact (SPOC) under Intergovernmental Review: <https://www.whitehouse.gov/wp-content/uploads/2020/04/SPOC-4-13-20.pdf>. If the applicant's state appears on the SPOC list, the applicant must contact the state SPOC to find out about, and comply with, the state's process under E.O. 12372. In completing the SF-424, such applicant is to make the appropriate selection in response to question 19 once the applicant has complied with its state E.O. 12372 process. An applicant whose state does not appear on the SPOC list should answer question 19 by selecting the following response: "Program is subject to E.O. 12372 but has not been selected by the state for review."

Disclosure of Lobbying Activities

Applicants must complete and submit the Disclosure of Lobbying Activities (SF-LLL) form in Grants.gov. Applicants that expend any funds for lobbying activities must provide the information requested on the SF-LLL. Note: Applicants that do not expend any funds for lobbying activities should enter "N/A" in the required highlighted fields.

Standard Applicant Information (JustGrants 424 and General Agency Information)

Applicants must complete this web-based form in JustGrants, which is pre-populated with the SF-424 data submitted in Grants.gov. Applicants are required to confirm the two Authorized Representatives, verify the legal name and address, and enter the ZIP code(s) for the areas affected by the project.

In order for the applicant to complete this section, the two Authorized Representatives – the Law Enforcement Executive and the Government Executive, must have established accounts in JustGrants after the Grants.gov portion of the application is submitted.

The Law Enforcement Executive is the highest-ranking official in the jurisdiction (chief of police, sheriff, etc.) and must be assigned the role: "Authorized Representative 1" in JustGrants.

The Government Executive is the highest-ranking government official in the jurisdiction (mayor, board president, etc.) and must be assigned the role "Authorized Representative 2" in JustGrants.

Applications where the Authorized Representatives have been incorrectly assigned may be rejected.

6. If you would like to change and/or update the survey responses of a completed survey, you may click the "Reopen" option to update your saved responses.

Budget and Associated Documentation

Applicants must complete the web-based budget worksheet form in JustGrants. No separate budget narrative is required. It is important to enter accurate information in the budget worksheet, as the information provided will be used to determine the amount of your CHP award, if awarded.

Applicants are required to disclose whether they have pending applications for federally funded assistance or active federal awards that support the same or similar activities or services for which award funding is being requested under this application. As a general rule, COPS Office award funding may not be used for the same item or service funded through another funding source. However, leveraging multiple funding sources in a complementary manner to implement comprehensive programs or projects is encouraged and is not seen as inappropriate.

To aid the COPS Office in the prevention of awarding potentially duplicative funding, you will need to indicate in the application question survey whether your agency has a pending application and/or an active award with any other federal funding source (e.g., direct federal funding or indirect federal funding through state subawarded federal funds) that supports the same or similar activities or services as being proposed in this COPS Office application. For each potentially duplicative program, you will be asked to provide the name of the federal awarding agency, or state agency for subawarded federal funding, award or application number, program name, award start and end dates, award or requested amount, items requested, and description of how this project differs from the application for COPS office funding.

Budget Worksheet and Budget Narrative (Web-based Form)

Budget requests may only be made in the following categories:

- Sworn Officer Personnel
- Fringe Benefits

Recipients may not use COPS Office funding for the same item or service also funded by another U.S. Department of Justice award.

Non-supplanting requirement: Requests may be made only for positions that are not otherwise budgeted with state, local, or BIA funds and that would not be funded in the absence of the CHP award.

See below for non-exhaustive list of allowable and unallowable costs, as well as guidance for completing each budget category.

Allowable Costs: Fundable requests

The only allowable costs under CHP are the approved full-time, entry-level salaries and fringe benefits of newly hired or rehired sworn career law enforcement officers who are hired or rehired on or after the award start date. A "career law enforcement officer" is a person hired on a permanent basis who is authorized by law or by a state, local, or tribal agency to engage in or oversee the prevention, detection, or investigation of violations of criminal laws. 34 U.S.C. §10389(1). The State of Alaska, and any Indian tribe or tribal organization in that State, may also use hiring funds for village public safety officers defined as "an individual employed as a village public safety officer under the program established by the State pursuant to Alaska Statute 18.65.670. Tribal Law and Order Act of 2010, Pub. L. 111-211, title II, § 247 (a)(2).

An agency seeking to rehire officers scheduled to be laid off on a specific future date with CHP funds must continue to fund them with local funds through the award date until the date of the scheduled layoff. Officers previously employed by your agency who have been (or are currently scheduled to be) laid off as a result of budget reductions may be rehired using CHP award funds, but funding requests must be limited to your agency's entry-level salaries and fringe benefits for full-time officers. Agencies will be responsible for paying any costs that exceed entry-level salaries and fringe benefits with local funds.

NOTE: The only allowable budget categories under the CHP program are Salaries and Fringe Benefits. Do not enter any funding requests under any other budget category.

The 25% local match will calculate automatically once the overall salary and fringe rates are entered.

Sworn Officer Salaries: You will enter the funding request by indicating the number of officers you are requesting, then by providing the current entry-level salary and fringe benefits for one full-time sworn officer. The total request will calculate automatically. CHP awards are subject to the restrictions described in the Program Description, including but not limited to: \$125,000 maximum over three years and 25% match requirement (unless waived). Applicants budgeting for an increase in salaries and/or fringe benefits over the life of the award are required to provide an explanation. Note that the \$125,000 in federal funds total for three years, not \$125,000 annually.

Fringe Benefits: Fringe benefits typically covered by the applicant agency, as specified in agency personnel and salary policies or contractual agreements, and allowable under 2 CFR 200, will be covered. Examples of allowable fringe benefits include Social Security, Medicare, insurance (life, health, dental, etc.), shift differential, retirement plans, and holiday pay.

The following are considered unallowable costs under the CHP program: overtime costs, training, travel, equipment (e.g., uniforms, weapons, or vehicles), severance pay, and hazard pay. If your agency pays those benefits for locally funded officer positions, your agency will be required to use local funds to do so for CHP- funded officer positions.

For agencies that do not include fringe benefits (e.g., vacation, holiday, shift differential) as part of the base salary costs and typically calculate these separately, the allowable expenditures may be included with personnel costs. Any fringe benefits that are already included as part of the agency's base salary should not be repeated in the separate fringe listing. Fringe benefits that do not appear in the drop-down budget menu will not be considered.

Shift differential pay is a premium hourly rate paid for those hours that are not considered normal day work hours as defined by your agency. Typically, shift differential pay is for the hours worked outside of normal day work hours, where the majority of hours worked are from 3:00 p.m. of one day until 8:00 a.m. of the following day. This would include the evening shift, midnight shift, overlap shift or power shift, or any other designated shift between those hours that would qualify for the shift differential pay as defined by your agency and/or a contractual or union agreement. Overtime beyond any defined shift work hours is an unallowable cost under 2022 CHP.

Unallowable Costs: Requests will NOT be funded

All items other than entry-level personnel costs (salaries and fringe benefits) as described in the preceding section are considered unallowable under CHP. Therefore, requests for equipment, training, travel, uniforms, vehicles, and indirect costs are not permitted under CHP.

In addition, the following personnel costs are unallowable:

- Salaries and fringe benefits of existing locally-funded officers, unless those officers are currently scheduled to be laid off on a specific future date
- Salaries and fringe benefits over and above an agency's entry-level salary and fringe benefits for officers
- Salaries and fringe benefits for civilian or nonsworn personnel
- Salaries and fringe benefits for part-time officer positions
- Salaries and fringe benefits for furloughed officers
- Salaries and fringe benefits for correctional officers
- Overtime costs, severance pay, hazard pay

This is not an inclusive list, and items not listed above will be reviewed on a case-by-case basis. The COPS Office reserves the right to deny funding for items that may not be included on this list. Agencies are expected to request items that show a direct link between the requested item(s) and the applicant's CHP project. All requests must contribute directly to the specific purpose of the award project and relate to the appropriations language enacted for FY 2022.

Federal/Local Share of Cost

In the budget worksheet, the applicant will be required to indicate the number of officers, and the total salary and fringe benefits for the three-year salary period for ONE entry-level officer. The local match will calculate automatically. The minimum local match requirement is 25 percent of the total project cost, and the cap on the amount of funding that can be requested per officer position is \$125,000 over three years (36 months). Any additional costs above the local match and officer funding cap will be the responsibility of the recipient agency. Recipients are also required to pay a progressively larger share of the cost of the award with local funds over the award period. The applicant will also be asked for a projection of the planned federal and local shares of the total project costs over the three years of funding for each position. While your agency may deviate from these specific projections during the award period, it must still ensure that the federal share decreases and the local share increases.

Budget summary: The budget summary will automatically calculate total project costs based on the figures provided in the budget worksheet and the number of officer positions requested in the application. It will also calculate the amount of the local match requirement.

Waiver/Local Match (Cost share)

The COPS Office may waive some or all of an applicant's local match requirement. During the application review process, your agency's waiver request will be evaluated based on the availability of funding, a demonstration of severe fiscal distress as supported by the fiscal health data provided in this application, and comparison of your fiscal health data with that of the overall CHP applicant pool. If your agency wishes to be considered for a waiver, you must respond to the applicable question. Please indicate whether the COPS Office should continue to consider your application if the waiver request is not granted or whether it should be removed from consideration if the waiver is not granted. If a full or partial waiver is granted, and your application is funded for a reduced number of officer positions, the percentage of local share provided will be applied to the total project cost of the awarded officers.

Memoranda of Understanding (MOUs) and Other Supportive Documents

As applicable, applicants will attach any memoranda of understanding or partner agreements in this section.

School Resource Officer (SRO) MOU (If applicable): Recipients awarded CHP funding to hire and/or deploy SRO into schools will be required to submit to the COPS Office a signed Memorandum of Understanding (MOU) between the law enforcement agency and the school partner(s) within 90 days of the award start date, and before expending or drawing down funds under the award. An MOU is not required at the time of application; however, if the law enforcement agency already has an MOU in place that is applicable to the partnership, the MOU can be uploaded as an attachment under the Section in JustGrants titled "MOUs and Other Supporting Documents".

Agencies selecting SROs should adhere to the guiding principles presented in the SRO Guiding Principles which can be found at [SUPPORTING SAFE SCHOOLS | COPS OFFICE \(usdoj.gov\)](https://www.usdoj.gov/cops/2022/sro-guiding-principles).

The MOU must contain the following: the purpose of the MOU; clearly defined roles and responsibilities of the school district and the law enforcement agency focusing on the officers' roles on safety, information sharing, supervision responsibility, and chain of command for the SRO; and signatures. The MOU is an agreement among parties that defines the roles and responsibilities of the individuals and partners involved, including SROs, school administrators, law enforcement and education departments, students, and parents. The MOU should explicitly state the proposed programs and daily activities that the SRO will develop and/or administer. It should also address the policies and procedures and the extent to which information will be shared between the law enforcement agency and school or school district partners throughout the course of the award. The MOU should be signed by the law enforcement executive and designated representative for the school or school district who has general educational oversight within that jurisdiction.

Please refer to the MOU fact sheet at <https://cops.usdoj.gov/chp> for a full description of requirements.

School Resource Officer Official Partner Contact Information (if applicable)

Applicants requesting funding for SROs should enter in contact information for each school partner where the SROs will be deployed, if known at time of application. This information is not required at the time of application, but will be required for any agency awarded CHP funding for officers to be deployed as SROs.

Additional Application Components

Catastrophic incident (if applicable – required for all applicants claiming a major disaster or catastrophic incident)—Applicants that are claiming a major disaster or catastrophic incident must describe the incident in the appropriate question set in JustGrants, outlining:

- Type of event (major disaster, mass shooting, bombing, etc.)
- Impact of the event on delivery of law enforcement services
- Duration of the event (how long will law enforcement services be impacted by the event until recovery) and
- Law enforcement response and recovery efforts

Letters of Support

As applicable, applicants may attach letters of support, but these are not required.

The COPS Office strongly recommends that uploaded files be clearly named to indicate the applicant organization name and the file contents to ensure that reviewers can easily locate application documents. All other attachments should use descriptive file names identified on the attachment(s) such as “[Applicant] Letter of Support.” Recommended file formats are PDF, Microsoft Word, and Microsoft Excel. The system may reject applications with other formats. If an applicant submits multiple versions of the same document, the COPS Office will review only the most recent system-validated version submitted.

Disclosures and Assurances

The applicant must review, complete, and submit all disclosures, assurances, and certifications as described below. The full text of the Certifications is available in the Application Resource Guide. An application may not be funded or, if awarded, a hold may be placed on this application if it is deemed that the applicant is not in compliance with federal civil rights laws, is not cooperating with an ongoing federal civil rights investigation, or is not cooperating with a U.S. Department of Justice award review or audit.

Applicants must read and acknowledge the DOJ Certified Standard Assurances in JustGrants. Full text of the Certified Standard Assurances is available in the Application Resource Guide.

Disclosure of Lobbying Activities

Applicants must complete the SF-LLL Disclosure of Lobbying Activities in Grants.gov prior to beginning the application process in JustGrants NOTE: Applicants that do not expend any funds for lobbying activities should enter “N/A” in the required highlighted fields.

DOJ Certified Standard Assurances

Applicants must read and acknowledge the DOJ Certified Standard Assurances in JustGrants. Full text of the Certified Standard Assurances is available in the Application Resource Guide. found in the FY22 Reference Guide for Community Policing Advancement (CPA) programs under the COPS Office "[How to Apply](#)" webpage.

DOJ Certifications Regarding Lobbying; Debarment, Suspension and Other Responsibility Matters; and Drug-Free Workplace Requirements

Applicants must read and acknowledge these DOJ certifications in JustGrants. Full text of the Certified Standard Assurances is available in the Application Resource Guide.

How to Apply

Applications must be submitted electronically through JustGrants following the submission of the SF-424 via Grants.gov. See Submission Dates and Times below for a list of steps for registering with all required systems and deadlines for completing each step.

Unique Entity Identifier and System for Award Management (SAM)

Federal regulations require that an applicant for federal funding: (1) be registered in SAM before submitting its application; (2) provide a valid unique entity identifier in its application; and (3) continue to maintain an active SAM registration with current information at all times during which it has an active federal award or an application or plan under consideration by a federal awarding agency. The COPS Office may not make an award to an applicant until the applicant has complied with all applicable

unique entity identifier and SAM requirements and, if an applicant has not fully complied with these requirements by the time the COPS Office is ready to make an award, then the COPS office may determine that the applicant is not qualified to receive an award. See 2 C.F.R. §§ 25.200, 25.205 and the Award Terms and Conditions for further information.

The Unique Entity ID (SAM) is a 12-character alpha-numeric value and once issued, will not change. Entities that are currently registered in SAM.gov already have a Unique Entity ID (SAM) which can be viewed in SAM.gov.

The transition to UEI (SAM) will not impact an entity's registration expiration date or when renewal is necessary.

SAM centralizes information about grant recipients and provides a central location for grant recipients to change organizational information. Grants.gov uses SAM to establish roles and IDs for electronic submission of grant applications.

If the applicant already has an Employer Identification Number (EIN), the SAM registration will take up to two weeks to process. If the applicant does not have an EIN, then the applicant should allow two to five weeks for obtaining an EIN from the Internal Revenue Service. There is no fee associated with these processes. These processes cannot be expedited.

The COPS Office strongly discourages applicants from paying a third party to apply or register on their behalf in an attempt to expedite these processes.

To ensure all applicants are able to apply by the deadline for this solicitation, applicants must have registered online with the SAM and with Grants.gov well in advance of the JustGrants deadline.

Submission Dates and Time

All completed applications must be submitted by the deadline.

The completed SF-424 must be submitted in Grants.gov by June 9, 2022 and applications in JustGrants by June 16, 2022.

After applicants register with SAM, they can begin the Grants.gov registration process. The applying organization must complete the Grants.gov registration process prior to beginning an application for a federal grant. The E-Business Point of Contact (E-Biz POC) must register the applicant organization with Grants.gov. The E-Biz POC oversees the applicant's Grants.gov transactions and assigns the Authorized Representative. The Authorized Organization Representative (AOR) submits the application to Grants.gov and must also register with Grants.gov. In some cases, the E-Biz POC is also the AOR for the applicant. Complete instructions can be found at www.Grants.gov.

In JustGrants, each applying entity will have an assigned Entity Administrator who is responsible for managing entity-level information and assigning roles in the system. The Entity Administrator is also the E-Biz POC designated in SAM.gov. For more information on registering with JustGrants, see <https://justicegrants.usdoj.gov/>.

It is the applicant's responsibility to ensure that the application is complete and submitted by the deadline. Failure to meet the submission deadline will result in an application not being considered for funding. Applicants should refer to the list below to ensure that all required steps and deadlines are met.

Applicant Actions with Required Dates/Deadline

1. Register with SAM. Access the SAM online registration through the SAM homepage at <https://www.sam.gov/SAM> and follow the online instructions for new SAM users. If the applicant already has the necessary information on hand, the online registration takes approximately 30 minutes to complete, depending upon the size and complexity of the business or organization. Organizations must update or renew their SAM registration at least once a year to maintain an active status.
2. Register with Grants.gov. Once the SAM registration is active, the applicant will be able to complete the Grants.gov registration.
3. Download the updated version of Adobe Acrobat before the Grants.gov deadline. Applicants are responsible for ensuring that the most up-to-date version of Adobe Acrobat is installed on all computers that may be used to download the solicitation and to submit the SF-424 and SF-LLL on Grants.gov. To verify that the Adobe software version is compatible with Grants.gov, please visit the following link: <http://www.grants.gov/web/grants/applicants/adobe-software-compatibility.html>.
4. Begin application submission process in Grants.gov as early as possible, but no later than 24-48 hours prior to the Grants.gov deadline. Applicants may find this funding opportunity on Grants.gov by using the assistance listing number, Grants.gov opportunity number, or the title of this solicitation, all of which can be found on the cover page. Applicants will submit two forms in Grants.gov (SF-424 and SF-LLL).
5. The Grants.gov Workspace Status will change from "In Progress" to "Submitted" once the SF-424 has been successfully submitted in Grants.gov. Within 48 hours after submitting the SF-424 in Grants.gov, the applicant should receive four (4) notifications from Grants.gov (i.e., submission receipt, validation receipt, grantor agency retrieval receipt, and agency tracking number assignment). (Note: It is possible to first receive a message indicating that the application is received, and then receive a rejection notice a few minutes or hours later.)

6. Within 24 hours AFTER receiving a confirmation email from Grants.gov, the Application Submitter will receive an email from JustGrants with instructions to complete the rest of the application in JustGrants. If the applicant is a new user in JustGrants, the email will include instructions on registering with JustGrants.
7. Upon receipt of this email, register with JustGrants (if necessary), invite additional users including Authorized Representatives, and begin to develop the application. Some of the application components will be entered directly into JustGrants, and others will require uploading attached documents. Therefore, applicants will need to allow ample time before the JustGrants deadline to prepare each component and to submit the complete application package at least 24-48 hours prior to the deadline. Applicants may save their progress in the system and revise the application as needed prior to hitting the Submit button at the end of the application in JustGrants.
8. Confirm application receipt: Applicants should closely monitor their email and JustGrants accounts for any notifications from Grants.gov or JustGrants about a possible failed submission. The user who is authorized to submit applications on behalf of the organization is the one who will receive these notifications. The COPS Office does not send out these notifications, nor does the COPS Office receive a copy of these notifications. It is the applicant's responsibility to notify the COPS Office of any problems with the application submission process. Submitting the application components at least 48 hours before the deadline will enable the applicant to receive notice of a failed submission and provide an opportunity to correct the error before the applicable deadline.

Late Submissions: The COPS Office will review on a case-by-case basis requests for late submission due to unforeseen technical issues or extraordinary events such as extreme weather emergencies or mass casualty events. Requests for an extension of the Grants.gov deadline must be received prior to the close of the solicitation in Grants.gov. Requests for an extension of the JustGrants deadline must be made prior to the close of the solicitation in JustGrants. No late submission requests will be considered once the application closes.

Extension of deadlines is rare and not guaranteed. To be considered for an extension, applicants must contact the COPS Office Response Center at 800-421-6770 to create a record of the issue, or send an email to AskCopsRC@usdoj.gov. The subject line should read "FY22 CHP Extraordinary Circumstances: UEI number, Agency Name, Application ID"; with your UEI number and organization name included in the subject line. The message should include the nature of the disaster/issue and how it affected the applicant's ability to submit an application on time.

The COPS Office will respond to each applicant as soon as possible with either an approval and instructions for submission, or a rejection. If the technical issues you reported cannot be validated, the application will be rejected.

The following conditions are not valid reasons to request an extension: (1) failure to begin the registration process in sufficient time; failure to follow instructions on Grants.gov or JustGrants; (3) failure of the two assigned authorized representatives, with the proper authority, to activate accounts in JustGrants prior to application submission; (4) failure to follow all of the instructions in the CHP solicitation; (5) failure to register or update information on the SAM website; and/or (6) failure to register or complete SF-424 in grants.gov.

Application Review Information

The COPS Office is committed to ensuring a fair and open merit review process. Applications that meet eligibility and basic minimum requirements will be subject to a merit review and ranking process. The merit review will consist of both a programmatic and financial review and will be conducted by COPS Office staff or in collaboration with other subject matter experts. The review will also assess whether costs are reasonable, necessary, allowable, and allocable under applicable federal cost principles, agency regulations, and the program.

Additional consideration will be given to applicants who propose a community-based approach to the following four problem/focus areas. Applicants who choose one of the community policing problems or priority focus areas listed here must devote 100% of their funded positions to that focus area, and will not be allowed to change their choice once the award has been issued.

- Building Legitimacy and Trust
- Violent Crime/Gun Violence
- Combating Hate and Domestic Extremism
- Police-based Response to Persons in Crisis

Additional consideration will also be given to applicants that meet any of the following criteria:

- **Persistent Poverty** – Applicants in an area with persistent poverty
- **Preventing Radicalization of Personnel** – applicants seeking support for screening and counseling programs to identify and prevent the radicalization of applicants and personnel who endorse violent and hateful extremist movements
- **Community-based Hires** – Applicants that commit to recruiting officers from the community in which they will serve
- **Community-based Officer Relocation** – Applicants that commit to recruiting officers who are willing to relocate to areas characterized by fragmented relations between police and community residents, or areas of high crime

- **Diversity Training** – Agencies that require evidenced-based cultural sensitivity training for officers, including training on ethnic and racial bias, racial profiling, gender bias, sexual orientation and gender identity bias, cultural diversity, use of force, procedural justice, and law enforcement interaction with people with disabilities, the mentally ill, and English Language Learners
- **Safe Harbor** – Applicants in states with certain anti-human trafficking laws that treat minors engaged in commercial sex as victims (referred to as “safe harbor” laws) and permit individuals to vacate arrest or prosecution records for non-violent offenses as a result of being trafficked
- **Catastrophic Incident** – Applicants that experienced an unanticipated catastrophic event or Attorney General declared area in crime-related crisis
- **Hiring Veterans** - Applicants that commit to hiring at least one military veteran
- **Rural Designation** - Applicants from rural areas
- **Agency not funded in FY21** - Applicants that did not receive a CHP award in FY 2021

Prior to award, applications for potential awards will receive a financial integrity review to evaluate the fiscal integrity and financial capability of applicants and to examine proposed costs and the extent to which the budget detail worksheet supports and explains project costs. This review will also assess whether costs are reasonable, necessary, and allocable under applicable federal cost principles and agency regulations. This financial review will be conducted by the COPS Office staff.

In addition, prior to making an award greater than the simplified acquisition threshold (currently set at \$250,000), any information about applicants that is in the designated integrity and performance system accessible through SAM will be reviewed and considered.

Applicants may review and comment on any information about them in SAM that a Federal awarding agency previously entered in the designated integrity and performance system, and such applicant comments will also be reviewed and considered.

Past performance on previous awards may be in an indicator in this review process. Financial and programmatic performance factors may be included in the past performance review.

Absent explicit statutory authorization or written delegation of authority to the contrary, all final award decisions will be made by the Director of the COPS Office, who may also give consideration to factors including, but not limited to, underserved populations, population served, geographic diversity, strategic priorities, past performance, risk, and available funding when making awards.

Review Process

In the merit review selection process for CHP awards, the COPS Office will make an initial determination, balancing the applicant’s need for federal assistance (as measured by economic and fiscal health questions) with crime rates, the applicant’s current commitment to community policing, and the strength of their proposed community policing strategy.

Applications will be scored according to the following weighting methodology:

- Fiscal need: 33.3 percent
- Crime: 33.3 percent
- Community policing: 33.3 percent

Agencies that do not meet a minimum community policing score, reflecting a basic commitment to community policing and a strategy to continue or enhance it, will not be considered for funding.

Federal Award Administration Information

Federal Award Notices

Award notification will be sent electronically from JustGrants. This award notification will include instruction on enrolling in Automated Standard Application for Payments (ASAP) and accepting the award. Recipients will be required to log into JustGrants to review, sign, and accept the award. The notice of award will contain details about the award including start and end dates, funding amounts, and the award conditions. The Authorized Representatives must acknowledge having read and understood all sections of the award instrument and submit the required declaration and certification to accept the award; these steps will be completed electronically in JustGrants before you will be able to draw down funds or begin implementing the program. By accepting the award and the COPS Office funding, your agency acknowledges that it will comply with these conditions and, if applicable, additional special conditions specific to your agency.

In limited circumstances, your award may be subject to special conditions that prevent your agency from drawing down or accessing award funds until the special conditions are satisfied as determined by the COPS Office. Any special conditions will be included with your award.

All applicants should anticipate notification of funding decisions by September 30, 2022.

Administrative and National Policy Requirements

If selected for funding, in addition to implementing the funded project consistent with the approved project proposal and budget, the recipient must comply with the award terms and conditions, and other legal requirements including, but not limited to, OMB, DOJ, or other federal regulations that will be included in the award or incorporated into the award by reference or are otherwise applicable to the award.

The COPS Office strongly encourages applicants to review applicable requirements and terms and conditions prior to submitting an application.

Terms and conditions for COPS Office awards are available on the COPS website in the Application Resource Guide. Terms and conditions are subject to change before the award is issued. The Application Resource Guide also contains additional requirements which apply to this application and award, including audit requirements.

Monitoring, Evaluation and Reporting Requirements

Law enforcement agencies receiving federal funding from the COPS Office will be monitored to ensure compliance with their award conditions and other applicable statutes and regulations, and track progress towards achieving the goal of advancement of community policing. Award monitoring activities conducted by the COPS Office include site visits, office-based grant reviews, alleged noncompliance reviews, financial and programmatic reporting, and audit resolution. As a COPS Office award recipient, you agree to cooperate with and respond to any requests for information pertaining to your award. This includes all financial records, such as general accounting ledgers and all supporting documents. All information pertinent to the implementation of the award is subject to agency review throughout the life of the award, during the close-out process and for three-years after the submission of the final expenditure report.

Evaluation: Though a formal assessment is not required, awarded agencies are strongly encouraged to conduct an independent assessment of their respective award-funded projects. Project evaluations have proven to be valuable tools in helping departments identify areas in need of improvement, providing data of successful processes and reducing vulnerabilities. Award funding cannot be used to for evaluations.

Reporting Requirements: If awarded, recipients will be required to submit quarterly financial and semi-annual performance reports.

- Financial reporting: Recipients will be required to electronically submit a quarterly Federal Financial Report (FFR) using the SF-425 form by the 30th day following the end of each calendar quarter, and a final report is due 120 days following the award end date. Performance Measures

To assist in fulfilling the U.S. Department of Justice's (DOJ) responsibilities under the Government Performance and Results Modernization Act (GPRAMA) of 2010, P.L. 111-352, recipients who receive funding from the Federal Government must measure the results of work that funding supports. GPRAMA specifically requires the COPS Office and other federal agencies to

set program goals, measure performance against those goals, and publicly report progress in the form of funding spent, resources used, activities performed, services delivered, and results achieved.

Performance measures for CHP are as shown in table 1.

Table 1. Performance measures

Objective	Performance measures	Data Recipient Provides
Increase the capacity of law enforcement agencies to implement community policing strategies that strengthen partnerships for safer communities and enhance law enforcement's capacity to prevent, solve, and control crime through funding for personnel, technology, equipment, and training	Extent to which COPS Office knowledge resources (e.g., publications, podcasts, training, etc.) have increased your agency's community policing capacity? Extent to which COPS Office award funding (e.g., officers, equipment, training, technical assistance, etc.) has increased your agency's community policing capacity?	Recipients will rate the effectiveness of the COPS Office funding in increasing community policing capacity. Data will be collected on a periodic basis through recipient performance reports.

COPS Office awards target increasing recipient capacity to implement community policing strategies within the three primary elements of community policing: (1) problem solving; (2) partnerships; and (3) organizational transformation. The COPS Office requires all CHP applicants to describe how the personnel requested will assist the applicant in implementing community policing strategies. For more information on community policing, please go to the COPS Office website at <https://cops.usdoj.gov/resources#cptopics>.

As part of the programmatic performance report, CHP recipients will be required to report on their progress toward implementing their community policing strategies. Based on the data collected from recipients, the COPS Office may make improvements to CHP to better meet the program's objective and law enforcement agency needs.

Applicants must also maintain primary law enforcement authority for the population to be served.

In addition, if funds under this program are to be used as part of a written contracting arrangement for law enforcement services (e.g., a town which contracts with a neighboring sheriff's office to receive services), the government agency wishing to receive law enforcement services must be the legal applicant in this application.

A law enforcement agency is established and operational if the jurisdiction has passed authorizing legislation and it has a current operating budget.

The crime data you will enter below will be based on crimes occurring among this population served. Population served counts must not be adjusted upward to account for daytime business/shopping visitors, highway traffic passing through a jurisdiction, nor should it include annual visitor totals. Parks and transit agencies should report average daily visitors/riders rather than annual totals.

This may or may not be the same as your census population. For example, a service population may be the census population minus incorporated towns and cities that have their own law enforcement agency within your geographic boundaries. An agency with primary law enforcement authority is defined as having first responder responsibility to calls for service for all types of criminal incidents within its jurisdiction.

- 17. What is the actual population your department serves as the primary law enforcement entity?

18. Enter the total population of the government entity applying for this award using the latest census estimate available in the American Fact Finder at <http://FactFinder2.census.gov>.
- 18a. Check here if the population of the entity applying for this award is not represented by U.S. Census figures (e.g., colleges, special agencies, school police departments, etc.).
- 18b. If the population of the entity applying for this award is not represented by U.S. Census figures, please indicate the size of the population as of the latest available estimate.
- 18c. Please indicate the source of this population estimate (e.g., website address).
- 18d. If applicable, please explain why the service population differs from the census population.

Instructions:

Agencies should apply for the number of officer positions necessary to support their proposed community policing strategy. FY 2022 CHP awards cover up to 75 percent of the entry-level salary and fringe benefits for each approved position for a three-year funding period, based on the applicant's current entry level salary levels for full-time officers. There is a minimum 25 percent local cash match (cost share) requirement unless a waiver is approved. The maximum federal share per officer position is \$125,000 over the three-year period, (not \$125,00 per year) unless a local match waiver is approved. Any additional costs for higher than entry-level salaries and fringe benefits will be the responsibility of the recipient agency. Please keep in mind that there is a 12-month retention requirement for each officer position funded.

The number of officers you request cannot exceed 20% of your agency's current actual sworn force, with a maximum of 50 officers for any agency. Agencies with fewer than 5 officers may request one officer. The COPS Office will fund as many positions as possible for successful applicants; however, the number of officer positions requested by an agency may be reduced based on the availability of funding and other programmatic considerations.

19. How many entry-level, full-time officer positions is your agency requesting in this application?

Instructions:

IMPORTANT: Next, your agency must allocate the number of positions requested under each of the three hiring categories described below based on your agency's current needs at the time of this application. Be mindful of your agency's ability to fill and retain the officer positions awarded, while following your agency's established hiring policies and procedures. CHP awards will be made for officer positions requested in each of the three hiring categories, and recipients are required to use awarded funds for the specific categories awarded.

It is imperative that your agency understand that the COPS Office statutory nonsupplanting requirement mandates that award funds may only be used to supplement (increase) a recipient's law enforcement budget for sworn officer positions and may not supplant (replace) state, local, or tribal funds that a recipient otherwise would have spent on officer positions if it had not received an award. This means that if your agency plans to:

- (a) Hire new officer positions (including filling existing vacancies that are no longer funded in your agency's budget): Your agency must hire these new additional positions on or after the official award start date, above its current budgeted (funded) level of sworn officer positions, and otherwise comply with the nonsupplanting requirement as described in detail in the award owner's manual.
- (b) Rehire officers who have been laid off by any jurisdiction as a result of state, local, or tribal budget reductions: Your agency must rehire the officers on or after the official award start date, maintain documentation showing the date(s) that the positions were laid off and rehired, and otherwise comply with the nonsupplanting requirement as described in detail in the award owner's manual.
- (c) Rehire officers who are (at the time of application) currently scheduled to be laid off (by your jurisdiction) on a specific future date as a result of state, local, or tribal budget reductions: Your agency must continue to fund the officers with its own funds from the award start date until the date of the scheduled lay-off (for example, if the CHP award start date is September 1 and the lay-offs are scheduled for November 1, then the CHP funds may not be used to fund the officers until November 1, the date of the scheduled lay-off); identify the number and date(s) of the scheduled lay-off(s) in this application (see below); maintain documentation showing the date (s) and reason(s) for the lay-off; and otherwise comply with the nonsupplanting requirement as described in detail in the award owner's manual. [Please note that as long as your agency can document the date that the lay-off(s) would occur if CHP funds were not available, it may transfer the officers to the CHP funding on or immediately after the date of the lay-off without formally completing the administrative steps associated with a lay-off for each individual officer.]

Documentation that may be used to prove that the scheduled lay-offs are occurring for local economic reasons that are unrelated to the availability of CHP award funds may include (but are not limited to) council or departmental meeting minutes, memoranda, notices, or orders discussing the lay-offs; notices provided to the individual officer(s) regarding the date(s) of the lay-offs; or budget documents ordering departmental or jurisdiction-wide budget reductions. These records must be maintained with your agency's CHP award records during the award period and for a minimum of three years following the date of the submission of the final expenditure report in the event of an audit, monitoring, or other evaluation of your award compliance.

If your agency's request is funded, your agency will have the opportunity after the award announcement to request an award modification to move awarded funding into the category or categories that meet your agency's law enforcement needs at that time (including updating the dates of future scheduled lay-offs).

Category A: New, additional officer positions (including filling existing vacancies no longer funded in your agency's budget).

20a. Category A Request:

Category B: Rehire officers laid off (from any jurisdiction) as a result of state or local budget reductions.

20b. Category B Request:

Category C: Rehire officers scheduled to be laid off (at the time of the application) on a specific future date as a result of state or local budget reductions.

20c. Category C Request:

Instructions:

We also need some information about when the layoff of officers in this category is scheduled to occur. In the space below, please indicate when the officer(s) specified in this category are scheduled to be laid off.

Instructions:

Although hiring military veterans as new hires is not an award requirement, applicants who commit to hiring or rehiring at least one military veteran will receive additional consideration for CHP funding.

If your agency checks "yes" to the question below, your agency will be required to maintain documentation that it made every effort possible (consistent with your internal procedures and policies) to hire at least one military veteran. Under this solicitation, a military veteran is defined as a person who served in the active military, naval, or air service, and who was discharged or released there from under conditions other than dishonorable.

23. Does your agency commit to hire and/or rehire at least one military veteran as defined above for the officer position(s) you have requested?

23a. If Yes, how many position(s)?

24. Is your agency requesting that all or some of the officer positions requested be deployed as school resource officers (SROs)?

SRO Instructions:

If your agency requests officers to be deployed as school resource officers (SRO), please do not request more officer positions than your agency can expect to deploy in this capacity. A "school resource officer" is a career law enforcement officer, with sworn authority, who is engaged in community policing activities and is assigned by the employing agency to work in collaboration with schools.

There must be an increase in the level of community policing activities performed in and around primary or secondary schools in the agency's jurisdiction as a result of the award. The time commitment of the funded officers must be above and beyond the amount of time that the agency devoted to the schools before receiving the award. Recipients using CHP funding to hire or deploy SROs into schools must submit to the COPS Office a signed memorandum of understanding (MOU) between the law enforcement agency and the school partner(s) before obligating or drawing down funds under this award. An MOU is not required at the time of application; however, if the law enforcement agency already has an MOU in place that is applicable to the partnership, the MOU can be uploaded as an attachment in the section of the application titled "MOUs and other Supporting Documents".

The MOU must contain the following: the purpose of the MOU; clearly defined roles and responsibilities of the school district and the law enforcement agency focusing officers' roles on safety, information sharing, supervision responsibility; chain of command for the SRO; and signatures. If awarded, a recipient must submit an MOU to the COPS Office within 90 days from the date shown on the award congratulatory letter.

Implementation of the CHP award without submission and acceptance of the required MOU may result in expenditures not being reimbursed by the COPS Office and/or award de-obligation.

24a. If Yes, how many of your requested positions in this application will be deployed as school resource officers (SROs)?

24b. If Yes, has your agency reviewed principles presented in the [SRO Guiding Principles](#) document?

Instructions:

The following questions will help Congress and the U.S. Department of Justice identify potential gaps in training.

LAW ENFORCEMENT & COMMUNITY POLICING STRATEGY

Instructions for Community Policing Strategy:

COPS Office funding must be used to reorient the mission and activities of law enforcement agencies through initiating community policing or enhancing their involvement in community policing with the officers hired under this award program or an equal number of experienced officers who have been redeployed to implement this plan after hiring the entry-level COPS Office-funded officers. If awarded funds, your narrative responses in the text boxes below will constitute your agency's community policing strategy under this award. Your organization may be audited or monitored to ensure that it is initiating or enhancing community policing in accordance with this strategy. The COPS Office may also use this information to understand the needs of the field, and potentially provide for training, technical assistance, problem solving, and community policing implementation tools. Please note that the COPS Office recognizes that your COPS Office-funded officer(s) (or an equal number of veteran officers who are redeployed after hiring the entry-level COPS Office funded officers) will engage in a variety of community policing

activities and strategies, including participating in some or all aspects of your identified community policing strategy. Your community-policing strategy may be influenced and impacted by others within and outside of your organization, as this is considered beneficial to your community policing efforts.

At any time during your award period, you should be prepared to demonstrate (1) the community policing activities engaged in prior to the award that are detailed in this application and (2) how the award funds and award-funded officers (or an equal number of redeployed veteran officers) were specifically used to enhance (increase) or initiate community policing activities according to your community policing strategy contained in this application.

Community policing needs may change during the life of your award. Minor changes to this strategy may be made without prior approval of the COPS Office; however, the recipient will be required to report on progress or changes to the community policing strategy (if any) through the required performance reports. If your agency's community policing strategy changes significantly, you must submit those changes to the COPS Office for approval. Changes are significant if they deviate from the specific crime problems originally identified and approved in the community policing strategy submitted with the application. In some cases, in reviewing performance reports, the COPS Office may identify significant changes in community policing strategies that require explanation and request for approval.

Applicants that choose problem areas that receive additional priority consideration will not be able to change from these problem/focus areas if awarded CHP funding.

The following is the COPS Office definition of community policing that emphasizes the primary components of community partnerships, organizational transformation, and problem solving. Please refer to the COPS Office web site (<https://cops.usdoj.gov>) for further information regarding this definition.

Community policing is a philosophy that promotes organizational strategies that support the systematic use of partnerships and problem solving techniques to proactively address the immediate conditions that give rise to public safety issues, such as violent crime, non-violent crime, and fear of crime.

Instructions for Proposed Community Policing Strategy: Problem Solving and Partnerships

COPS Office awards must be used to initiate or enhance community policing activities with either the newly hired officers funded by this award program or an equivalent number of veteran officers who are redeployed to implement this community policing strategy after hiring the additional entry-level officers with COPS Office award funds. In this section, you will be asked to identify the crime and disorder **problem or a focus area** and the **partners** to be engaged through your requested COPS Office funding. Identifying the specific problem/focus area and partnerships that your agency plans to focus on is important to ensure that you satisfy the requirements for COPS Office funding under this program and to ensure that ultimately the additional award-funded officers (or equivalent number of redeployed veteran officers) will initiate or enhance your agency's capacity to implement community policing strategies and approaches.

Using the following list, select a problem/focus area that will be addressed by the officer(s) requested in this application. Please choose the option that best fits your problem area. **You may only select one problem/focus area** to address through this award funding.

When identifying a problem, it is important to think about the nature of similar incidents that taken together comprise the problem and accordingly **describe it in precise, specific terms** (e.g. “robbery of retail establishments”, rather than just “robbery”). In doing this, it can be helpful to consider all aspects of the problem, including the likely offenders, the suitable targets/victims, and how these come together in time and space.

Additional consideration will be given to applicants who propose a community-based approach to one of the four following problem/ focus areas. Applicants who choose one of the community policing problems or priority focus areas listed here must devote 100% of their funded positions to that focus area and will not be allowed to change their choice once the award has been issued.

- Building Legitimacy and Trust – Applicant will deploy officers to partner and engage community stakeholders including residents, businesses, and faith-based organizations to prioritize and collectively strengthen a community’s response to crime and criminal activity, and focus on enhancing and maintaining community trust and legitimacy between law enforcement and the communities they serve – to include building trust in immigrant communities. Efforts could include deploying or redeploying officers to support officer recruitment and retention efforts, with an emphasis on promoting diversity.
- Violent Crime/Gun Violence – Applicant will employ community policing strategies to address a range of violent crime problems. Community-based approaches to combatting gun violence that build trust in underserved communities suffering from high incidents of gun crime will receive additional consideration. Applicants requesting additional consideration for gun violence issues will be asked to describe their holistic, community-based approach. Applicants may wish to review the COPS Office web page on [Community Violence Interventions](#) for ideas on strategies.
- Combating Hate and Domestic Extremism – Applicant will focus on community-based strategies that combat bias-motivated acts of violence that divide our communities, intimidate our most vulnerable citizens, and erode trust in the rule of law.
- Police-based Response to Persons in Crisis – Applicant will focus on deploying officers in crisis intervention teams, participating in crisis intervention teams, improving response and interaction with persons in crisis – to include efforts focused on the education, prevention, addiction and interventions related to the abuse of opioids and other substances in communities.

DUPLICATION OF FUNDING

Instructions:

Applicants are required to disclose whether they have pending applications for federally funded assistance or active federal awards that support the same or similar activities or services for which funding is being requested under this application.

Be advised that as a general rule, COPS Office funding may not be used for the same item or service funded through another funding source. However, leveraging multiple funding sources in a complementary manner to implement comprehensive programs or projects is encouraged and is not seen as inappropriate. To aid the COPS Office in the prevention of awarding potentially duplicative funding, please indicate whether your agency has a pending application or an active award with any other federal funding source (e.g., direct federal funding or indirect federal funding through state sub-awarded federal funds) which supports the same or similar activities or services as being proposed in this COPS Office application.

- 92. Instructions:

In addition to the data collected elsewhere in this application, the COPS Office would like to capture information from jurisdictions that may have faced an unanticipated catastrophic event that had a significant impact on the delivery of law enforcement services or have experienced an unusually large increase in the number of homicides in the past year. Examples of unanticipated catastrophic events includes mass shootings, terrorist attacks, natural disasters, or other events leading to mass casualties that would not necessarily be reflected in the UCR crime statistics previously reported.

Please note that if your jurisdiction is faced with an unanticipated catastrophic event (e.g., mass shooting, terrorist attack, other mass casualty event) after submission of this application, but before the application closing date, you should contact the COPS Office immediately at 800-421-6770 to update your application to include this information.

CONTINUATION OF PROJECT AFTER FEDERAL FUNDING ENDS

Instructions for the Continuation of Project after Federal Funding Ends:

Applicants must plan to retain all sworn officer positions awarded under your COPS Office hiring award for a minimum of 12 months at the conclusion of 36 months of federal funding for each position. The retained COPS Office-funded positions should be added to your agency's law enforcement budget with state and/or local funds at the end of award funding, over and above the number of locally-funded sworn officer positions that would have existed in the absence of the award. These additional position(s) must be retained using state, local, or other nonfederal funding only. The retention period may begin during the five-year period of performance of the award and may extend beyond the end date of the award. You may not use funds awarded by other federal awards to cover the costs of retention. At the time of award application, applicants must affirm that they plan to retain the positions and identify the planned source(s) of retention funding. We understand that your agency's source(s) of retention funding may change during the life of the award. Your agency should maintain proper documentation of any changes in the event of an audit, monitoring or other evaluation of your award compliance. Please refer to the frequently asked questions on retention which can be found here <https://cops.usdoj.gov/chp>.

Note: Agencies that do not plan to retain all the positions awarded under this award are ineligible to receive CHP funding.
