

REQUEST FOR GRAND RAPIDS EDA ACTION

AGENDA DATE: March 12, 2026

STATEMENT OF ISSUE: Consider approving a proposal from Braun Intertec for construction and materials testing for the demolition and utility service construction in connection with the Crystal Lake Estates Second Addition Housing Project. (former ISD Admin. Building)

PREPARED BY: Rob Mattei, Executive Director

BACKGROUND:

At the previous meeting, GREDA approved a contract for engineering services with Bolton & Menk. As you'll recall, the scope of those services did not include construction and materials testing.

Braun Intertec has provided a proposal for those service for an estimated fee of \$10,007.50, as detailed in the proposal.

Bolton & Menk will coordinate these testing activities during the project.

REQUIRED ACTION: Make a motion to approve the proposal from Braun Intertec for construction and materials testing for the demolition and utility service construction in connection with the Crystal Lake Estates Second Addition Housing Project. (former ISD Admin. Building)
