

# GRAND RAPIDS PUBLIC UTILITIES COMMISSION AGENDA ITEM

---

**AGENDA DATE:** July 27, 2022

**AGENDA ITEM:** Review and discuss two draft water and wastewater related policies.

**PREPARED BY:** Steve Mattson, Water/Wastewater Department Manager

---

## **BACKGROUND:**

GRPU managers continue to draft policies for Commission review. Attached are two draft water and wastewater related policies. The first one is a jurisdictional boundary. This policy has been modernized and establishes the standard for GRPU interactions with customers.

The second draft policy is to clearly define the sanitary sewer maintenance for GRPU.

When considering approval of these two draft policies, the Commission will also need to consider rescinding portions of the existing all-in-one sanitary sewer operating policy. These will be highlighted.

Upon feedback from the Commission on the draft policies, revised policies will be prepared for approval at the August 17 GRPU Commission meeting.

## **RECOMMENDATION:**

Review and discuss two draft water and wastewater related policies.
