PREPARED BY: Andy Morgan

BACKGROUND:

Officer Ashley Moran approached the above organizations and groups in search of donations to purchase new Zoll Plus (Automated External Defibrillator) AEDs to replace expired AEDs.

To give you some background, all of our officers are trained as Emergency Medical Responders (EMR'S) and respond to all medicals within the city. They have extensive training for medical emergencies including the use of AED'S.

Currently we use three different types of AED's in our department, with all being at the end of their life expectancy. Our goal is to replace these over time and all being the same Zoll Plus AED model.

We are pleased to announce that we received the above donations from the above identified community partners.
