

**Please join us for the ribbon cutting event at the new
ITASCA CLEAN ENERGY SOLAR PLUS BATTERY STORAGE facility
on June 29, 2023 from 2 to 6 p.m.**

**This event will take place on the project site at
2515 SE 7th Avenue, Grand Rapids, MN.**

Grand Rapids Public Utilities is excited to share this huge project with the community. The new facility includes a 2 Megawatt (MW) solar array paired with a 1 MW - 2.5 hour lithium ion battery surrounded by pollinator-friendly vegetation!

Please RSVP on the GRPU Facebook event page.

The event will include an overview from the project team followed by tours and exhibits for the whole family to enjoy throughout the day!

The project team includes:

Itasca Clean Energy Team, Grand Rapids Public Utilities, City of Grand Rapids, Iron Range Resources & Rehabilitation, Minnesota Power, and US Solar.

Follow the GRPU Facebook page for more details in the coming weeks.
