

Councilor introduced the following resolution and moved for its adoption:

RESOLUTION NO. 22-

**DECLARING THE OFFICIAL INTENT OF
THE CITY TO REIMBURSE
CERTAIN EXPENDITURES FROM THE PROCEEDS
OF BONDS TO BE ISSUED BY THE CITY**

WHEREAS, the Internal Revenue Service has issued Treas. Reg. § 1.150-2 (the “Reimbursement Regulations”) providing that proceeds of tax-exempt obligations used to reimburse prior expenditures will not be deemed spent unless certain requirements are met; and

WHEREAS, the City of Grand Rapids, Minnesota (the “City”) expects to incur certain expenditures that may be financed temporarily from sources other than tax-exempt obligations, and reimbursed from the proceeds of a tax-exempt obligation;

WHEREAS, the City has determined to make this declaration of official intent (“Declaration”) to reimburse certain costs from proceeds of tax-exempt obligations in accordance with the Reimbursement Regulations.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF GRAND RAPIDS AS FOLLOWS:

1. The City proposes to undertake City Project 2021/P&R-1, IRA Civic Center Improvements.
2. The City reasonably expects to reimburse the expenditures made for certain costs of the Project from the proceeds of tax-exempt obligations in an estimated maximum principal amount of \$15,500,000 for CP 2021/P&R-1. All reimbursed expenditures will be capital expenditures, costs of issuance of the tax-exempt obligations, or other expenditures eligible for reimbursement under Section 1.150-2(d)(3) of the Reimbursement Regulations.
3. This Declaration has been made not later than 60 days after payment of any original expenditure to be subject to a reimbursement allocation with respect to the proceeds of tax-exempt obligations, except for the following expenditures: (a) costs of issuance of tax-exempt obligations; (b) costs in an amount not in excess of \$100,000 or 5 percent of the proceeds of an issue; or (c) “preliminary expenditures” up to an amount not in excess of twenty percent (20%) of the aggregate issue price of the issue or issues that finance or are reasonably expected by the City to finance the project for which the preliminary expenditures were incurred. The term “preliminary expenditures” includes architectural, engineering, surveying, tax-exempt obligation issuance, and similar costs that are incurred prior to commencement of acquisition, construction or rehabilitation of a project, other than land acquisition, site preparation, and similar costs incident to commencement of construction.

4. This Declaration is an expression of the reasonable expectations of the City based on the facts and circumstances known to the City as of the date hereof. The anticipated original expenditures for the Project and the principal amount of the tax-exempt obligations described in paragraph 2 are consistent with the City's budgetary and financial circumstances. No sources other than proceeds of tax-exempt obligations to be issued by the City are, or are reasonably expected to be, reserved, allocated on a long-term basis, or otherwise set aside pursuant to the City's budget or financial policies to pay such Project expenditures.

5. This Declaration is intended to constitute a declaration of official intent for purposes of the Reimbursement Regulations.

Adopted this 22nd day of August, 2022.

Dale Christy, Mayor

Attest:

Kimberly Gibeau, City Clerk
