

## **REQUEST FOR COUNCIL ACTION**

**AGENDA DATE:** November 14, 2022

**AGENDA ITEM:** Consider approving Monitoring Agreement with American Eagle

**PREPARED BY:** Bob Cahill

---

### **BACKGROUND:**

Pokegama golf course recently changed fire and burglary monitoring vendors. We are now with local company American Eagle Security Systems as it made more sense to be doing business with a local company, especially when it comes to service issues.

City Administrator Tom Pagel has signed this document as it needed to be signed before the activation of the Fire and Burglary systems could happen.

### **REQUESTED COUNCIL ACTION:**

Make a motion to approve the attached Agreement with American Eagle Security Systems for monitoring of Fire and Burglary of the Pokegama Golf Course clubhouse. Installation and annual fees are to be funded by Pokegama Golf Course
