AGENDA DATE: July 24, 2024

AGENDA ITEM: Consider a motion to confirm the hiring of Mark Saunders as a temporary part-time WWTP Laboratory Technician.

PREPARED BY: Julie Kennedy, General Manager

BACKGROUND:

The temporary part-time WWTP Laboratory Technician will provide immediate support to the current wastewater staff team members for a one-month period following the departure of WW Operations Director Jeff Frost on July 23, 2024. Attached is the scope of services to be performed by a temporary, part-time WWTP Laboratory Technician.

Mark holds a class A wastewater operator license and has previously assisted GRPU during times of staff transition. Mark's historical experience of the GRPU wastewater operations allows him to step in and immediately provide the level of knowledge required to meet the rigorous sampling and testing necessary to maintain compliance with our NPDES permit.

The rate of pay will be \$125.00 per hour for no more than 14 hours per week from July 22 to August 16, 2024. This is a temporary part-time position. There is no expectation of continued employment, in this capacity, at the completion of the one-month period.
