Comprehensive Plan:

Chapter 4 – Land Use
Chapter 6 – Economic Development

Goal 1: Create jobs and income. The City's economic infrastructure sustains the City's households and the households of many people in surrounding communities. Building the City's economic base is not an end in itself, but rather is a primary component for achieving many of the community's goals. Creating economic opportunity for current and future residents is a primary Comprehensive Plan goal.

Implementation Strategy	On-Going Action	Short Term Action	Long Term Action	Responsible Parties
Development and Land Use Regulation: Zoning	Continue to evaluate rezoning proposals for compatibility with surrounding existing and planned uses and connections to infrastructure systems.	Pursue zoning amendments for use and development standards as warranted. Examples include updates to building height requirements.	Continue to utilize evaluation criteria through the rezoning process. Update the criteria as needed.	Primary: Community Development, Engineering Secondary: Planning Commission
Industrial Development	Continue to utilize the future land use plan and industrial zoning to create shovel ready industrial sites within the community. Utilize the future land use plan to identify industrial development sites that have access to necessary infrastructure and limit impacts to surrounding non-residential land uses.	Continue to review and modify the allowed uses throughout industrial zoning districts.	Same as Short Term Action	Primary: Community Development Secondary: Planning Commission
