

# GRAND RAPIDS PUBLIC UTILITIES COMMISSION AGENDA ITEM

---

**AGENDA DATE:** September 25, 2024

**AGENDA ITEM:** Consider a motion to approve the procurement contract with Electric Pump Inc for purchasing two 10 hp Flygt filtrate pumps for the WW primary plant for \$33,302.00 and allow the General Manager to sign the contract.

**PREPARED BY:** Steve Mattson, Water/Wastewater Department Manager

---

## **BACKGROUND:**

This purchase is a non-budgeted expense in 2024 due to the premature failure of one of the filtrate lift pumps at the primary plant. This project was originally slated for 2025. Pumping filtrate is a critical daily process in dewatering sludge.

The GRPU Procurement Policy was followed, and the procurement contract is on file. GRPU industrial customer has approved the purchase.

The vendor's Certificate of Insurance has been verified to meet the contract requirement and is on file.

## **RECOMMENDATION:**

Consider a motion to approve the procurement contract with Electric Pump Inc for purchasing two 10 hp Flygt filtrate pumps for the WW primary plant for \$33,302.00 and allow the General Manager to sign the contract.
