

REQUEST FOR BOARD ACTION

AGENDA DATE: 7/15/25

AGENDA ITEM: Consider recommending approval of purchase of 10 cars in 2026

PREPARED BY: Tom Beaudry

BACKGROUND:

We are continuing to try and use 10 cars from the old fleet. Those cars are becoming more delapidated and require extra maintenance. It will be more efficient to replace these rather than continuing to put money and time into them.

REQUESTED BOARD ACTION:

Make a motion to recommend to the City Council approval of 10 new cars in 2026.
