**PREPARED BY:** Dale Anderson, Director of Parks & Recreation

---

### **BACKGROUND:**

Over 30 years ago the City of Grand Rapids and the MN DNR worked together to install a fishing pier at Crystal Lake. The pier is now in need of some extensive repair. Our Public Works crew pulled the pier last fall and plans on making repairs prior to reinstalling the pier this spring.

A formal agreement was never executed between the City and the State. Attached is the Cooperative Agreement from the State of Minnesota and a Resolution approving the agreement.

### **REQUESTED COUNCIL ACTION:**

Make a motion adopting a resolution and approve a Cooperative Agreement with the State of Minnesota for the Crystal Lake Fishing Pier.
