

REQUEST FOR COUNCIL ACTION

AGENDA DATE: January 9, 2023

AGENDA ITEM: Consider approving a contract with SEH for design and construction services at the GPZ Airport for the South Taxilane Crack Seal Project

PREPARED BY: Matt Wegwerth

BACKGROUND:

The Grand Rapids-Itasca County Airport is planning to complete a crack seal project on the South Taxilane in 2023. Attached contract covers design and construction services related to the project.

Total project cost estimated at \$75,000

Federal share -\$67,500

State share - \$3,750

Local share - \$3,750: This is shared 50/50 with the County, so City share of construction and engineering is \$1,875

Attached proposal is for \$18,700

REQUESTED COUNCIL ACTION:

Make a motion approving a contract with SEH for design and construction services at the GPZ Airport for the South Taxilane Crack Seal Project in the amount of \$18,700.
