AGENDA DATE: August 28, 2024

AGENDA ITEM: Consider a motion to adopt the Electric Infrastructure Transfer policy.

PREPARED BY: Chad Troumbly, Electric Department Manager

BACKGROUND:

GRPU managers are actively drafting policies for Commission review that focus on enhancing customer service and preparing for future needs. On June 12 and August 12, 2024, the GRPU Commission held work sessions to discuss a draft policy addressing unique infrastructure ownership boundaries for commercially owned residential developments and Manufactured Home Parks. This policy aligns with several key pillars of GRPU's strategic plan, including Utility Service, Finances, Community, Safety, and Efficiency.

RECOMMENDATION:

Consider a motion to adopt the Electric Infrastructure Transfer policy.
