

REQUEST FOR COUNCIL ACTION

AGENDA DATE: October 10, 2022

AGENDA ITEM: Consider adopting a resolution authorizing a grant application to the IRRR Development Infrastructure Grant program for the Itasca County Family YMCA fire alarm and HVAC system upgrades project.

PREPARED BY: Rob Mattei, Director of Community Development

BACKGROUND:

The Itasca County Family YMCA project would replace a 20-year old failing fire alarm system for which parts and updates are no longer available. Along with the fire alarm system replacement, the project will include the replacement of aging HVAC network controls, including programming, software and associated electrical work. The total budget for this project is \$95,000.

If awarded to the City, this \$48,000 grant, would be used to reimburse a portion of the project cost, which is leveraged by an allotment of American Recovery Plan Act (ARPA) funding provided by Itasca County.

The attached resolution authorizes the application and the City's acceptance of funds, if they are awarded.

REQUESTED COUNCIL ACTION:

Make a motion to adopt a resolution authorizing a grant application to the IRRR Development Infrastructure Grant program for the Itasca County Family YMCA fire alarm and HVAC system upgrades project.
