Sponsorship at the MAC | 2026

Welcome to the MAC's 2026 season! We are excited to announce next year's exhibitions and events. Each exhibit runs for two months in one of our three gallery spaces and includes a First Friday opening reception with the featured artist(s). 2026 will be special because it represents our 60th year as an organization.

This year we are excited to introduce a **new sponsorship opportunity for our educational programs**. MAC has year-round classes for learners of all ages and abilities, and sponsorship will help us offer more ways to support the adult and youth educational programming at the MAC through things such as a sliding scale payment options, support for field trips or school-based programs, and more.

If the sponsorships listed here don't fit your budget or you'd like to explore ways to share sponsorship with another MAC supporter, don't hesitate to reach out. We value your commitment to our arts community and look forward to partnering in whatever way works for you in the coming year.

Thanks for being a part of bringing high quality arts experiences to our community!

*All sponsorships are available on a first come, first served basis.

Kristen Anderson, Susan Hawkinson, & Loree Miltich | Fiber Art & Poetry | Bigfork, MN; Grand Rapids, MN

In the natural world, pockets of ecosystem diversity that retain biodiversity and resilience amid changing conditions are referred to as 'Refugia'. In northern Minnesota, our refugia are wetlands and, in particular, seasonal ponds. Kristen Anderson will display a series of felt tapestries representing this concept. Loree Miltich and Susan Hawkinson have composed an ekphrastic, double-voice poem that considers the remarkable life held in seasonal ponds and their essential role in the ecosystem of northern Minnesota. This poem will be read at the opening and displayed on the wall.
