Dear Minnesota City Clerks,

Thank you for your commitment to ensuring your city's residents have access to public library services. The attached documentation provides your city's state-certified level of library support for 2023. Minnesota Statutes, sections [134.34](#) and [275.761](#) establish the amount at 90% of the state-certified level of support set in 2011.

Please be advised that should a city fall below its state-certified level of library support, Minnesota Statutes, section 134.34, subdivision 4 requires removal of the city from State Library Services' funding formulas. This would greatly reduce the breadth and depth of library services available to the city's residents.

Thank you again for your continued support of Minnesota's libraries. Together, we can ensure that all Minnesota residents benefit from quality library services.

Sincerely,
