AGENDA DATE: August 14, 2023

AGENDA ITEM: Consider authorizing staff to solicit quotes for rubber flooring and furniture at the Civic Center

PREPARED BY: Kimberly Gibeau

BACKGROUND:

The estimated cost for rubber flooring is \$80,000.00. In accordance with the City Purchasing Policy, competitive written quotations will be solicited from appropriate vendors. The rubber flooring is to be installed in locations with “skate traffic” and will protect both floor substrate and skates.

Furniture will be funded by the FFE line item in the project budget. That line item includes \$100,000. Furniture can and will be procured through the Minnesota Cooperative Purchasing Venture (aka “State Bid”)

REQUESTED COUNCIL ACTION:

Make a motion to authorize staff to solicit quotes for rubber flooring and furniture at the Civic Center.
