### 5. Worksession Recap

City Administrator Pagel said that there is no funding from Construction Projects this year. The Commission can plan to work with an artist for 2027 for the SE/SW area of the city, as there will be funds available from a 2026 Construction Project. City Staff will provide an update each year on construction funding.

The Commission discussed Commissioner Squadroni's idea of the possibility of engaging the film making community to document the art being made during the event. More discussion on this topic at next month's meeting.
