

REQUEST FOR COUNCIL ACTION

AGENDA DATE: October 14th, 2024

AGENDA ITEM: Consider purchasing new refrigeration equipment

PREPARED BY: Tom Beaudry

BACKGROUND:

During the summer our walk in cooler was running at higher than optimal temperatures. It is recommended to preemptively replace coils and compressors as the units are at the end of their expected lifespan of 15 years.

REQUESTED COUNCIL ACTION:

Two quotes were received, one from Quality Refrigeration & heating in Deer River and the other from Gartner Refrigeration in Duluth. Recommend making a motion to approve the purchase of new refrigeration equipment from Quality Refrigeration & Heating in Deer River, which is the lower price of the two bids.
