

REQUEST FOR COUNCIL ACTION

AGENDA DATE: September 27, 2021

AGENDA ITEM: Consider approval of a Pierringer Release agreement with Carol Olson.

PREPARED BY: Lynn DeGrio

BACKGROUND:

Carol Olson fell on a City sidewalk on July 28, 2021. The injury to her as a result of the fall required eight stitches in her lip and she needed two crowns. The City of Grand Rapids does not carry medical payments coverage for city sidewalks, however we were aware of the need for repair and believe it is the best interest of both parties to execute a Pierringer Release.

REQUESTED COUNCIL ACTION:

Make a motion to approve a Pierringer Release agreement with Carol Olson.
