Subject: Juneteenth

Good afternoon. The KOOTASCA Community Action Team along with other community partners are hosting the first annual Juneteenth Celebration in Grand Rapids this year. I am writing today to inquire if the Arts and Culture Commission might have funds available to assist with bringing in a Black musician and DJ for this event. If you have further questions or need more information about this event, please feel free to contact me via email or phone. I am also curious if there are still open seats on this commission.

Thank you for your work in helping to make Grand Rapids a beautiful community.
