Grand Rapids Public Utilities Commission

Project # ELEC2418

Project Name Dually Snow Plow

Type Unassigned

Department 1-Electric

Useful Life 10

Contact Chad Troumbly

Category Equipment

Priority 01 - Required

Status Active

Description

Total Project Cost: \$12,000

Replacement snow plow for the F550 flat bed/dump truck

Justification

Current one is beatup (high maint) and not designed for the width of truck. Crew gets stuck driving over snow ridge. We use this to plow out the water and elect areas.
