Service is Our Nature

WHO WE ARE

Grand Rapids Public Utilities (GRPU) is a statutory municipal utility established by the city of Grand Rapids, Minnesota. The Grand Rapids Public Utilities Commission (GRPUC) provides full control, operation and management of the GRPU electric power distribution system, the water production, treatment and distribution systems, and the wastewater collection and treatment systems.

Our Vision

Our vision is to be a dynamic public asset for the thriving community of Grand Rapids, enhancing lives and fostering growth through excellence in the provision of essential utility services.

Our Values

Safety

We hold paramount the well-being of our employees and the public in all operations.

Integrity

We uphold ethical standards and foster trust with all stakeholders.

Customer Focus

We prioritize customer needs and satisfaction in all our decisions and actions.

Efficiency

We maximize resources to provide cost-effective services without compromising quality.

Reliability

We consistently deliver high-quality utility services and strive for uninterrupted access.

Sustainability

We employ environmentally responsible practices in our operations and services.

Transparency

We openly share information and decision-making processes, promoting informed community involvement.

Our Mission

Our mission is to empower GRPU team members to deliver safe, reliable, affordable, sustainable, and customer-focused utility services for our community.
