## **ELECTRIC DEPARTMENT MONTHLY REPORT January 2023 Commission Meeting**

### **Power Usage Last month**

- The attached graph shows the system load for the past month.

### **Reliability Last Month**

- We are working with our new Outage Management System (OMS) on the reporting.

### **Noteworthy Items**

- Solar plus Battery Storage project
  - Several successful battery discharges in December with parallel load management operations
- FEMA/Homeland Security funds, ~\$400K, have been approved for the CSC emergency generator
- The transformer for the Industrial Park is reported to have left the factory and is in route to GRPU
