

REQUEST FOR COUNCIL ACTION

AGENDA DATE: June 9th, 2025

AGENDA ITEM: Consider authorizing quotes and awarding a contract to Hawk Construction for the 11th Avenue NE Sidewalk Project

PREPARED BY: Matt Wegwerth

BACKGROUND:

The City has been exploring options for a new sidewalk along the west side of 11th Avenue NE for the past several years. The project involves the construction of a 6' sidewalk along the west side of 11th Avenue NE, from the intersection of 10th Street NE (East Elementary entrance) north to the new outdoor ice rink (approx. 600'). Since the opening of the East Elementary school, it has become apparent that a sidewalk is needed on the west side of the roadway for students and pedestrians. This area is highly utilized, and right now students/pedestrians are forced to walk in the grass and through the woods. The project would alleviate these issues and provide a safe area to walk. A Safe Routes to School grant was submitted this past winter but was not awarded.

Below is a summary of the quotes that were received. This project will be funded with the PIR account and will be constructed in the summer of 2025.

| <u>Contractor</u> | <u>Base Bid</u> |
|------------------------|-----------------|
| Hawk Construction | \$51,300.00 |
| TNT Construction Group | \$58,960.00 |

REQUESTED COUNCIL ACTION:

Make a motion authorizing quotes and awarding a contract to Hawk Construction for the 11th Avenue NE Sidewalk Project in the lump sum amount of \$51,300.00
