Title: Slate Creek Lift Station Pump Replacement Project - Authorization to Bid

CEQA: Categorically Exempt - Section 15301 "Existing Facilities"

Recommendation: That Council 1) approve the findings that the project is categorically exempt from the provisions of the California Environmental Quality Act (CEQA); and 2) authorize the advertisement for bids.

Prepared by: Bjorn P. Jones, PE, City Engineer

Council Meeting Date: 08/12/2025

Date Prepared: 08/7/2025

Agenda: Consent

Background Information: The Slate Creek Lift Station Pump Replacement Project involves upgrades and modernization work to the existing lift station in accordance with current design standards and the City's Wastewater Master Plan. This project involves the demolition and replacement of major components of the lift station, including modification of the wet well, installation of new pumps, piping and valves, and electrical system upgrades.

Copies of project plans and specifications for the Slate Creek Lift Station Pump Replacement Project are available for review in the Engineering Division office at City Hall. The total project cost is estimated at \$700,000.00.

The award of a construction contract is anticipated to occur in Fall 2025 with construction estimated to be completed in Spring 2026. Staff requests that Council authorize the bidding process for construction of this project.

Council Goals/Objectives: The Slate Creek Lift Station Pump Replacement Project executes portions of work tasks towards achieving/maintaining Strategic Plan Goal - Water & Wastewater Systems & Underground Infrastructure.

Fiscal Impact: The Slate Creek Lift Station Pump Replacement Project is fully funded in the FY 2025/2026 CIP Budget with Sewer Rate Program funds.

Funds Available: Yes
