CEQA: Not a Project

Recommendation: That Council adopt Resolution No. 2023-05 approving a Side Letter to the Labor Memorandum of Understanding for the period beginning July 1, 2022 through June 30, 2023 between the City of Grass Valley and the Grass Valley Police Officers' Association (Unit 6) for recruitment incentives for lateral police officers.

Prepared by: Timothy M. Kiser City Manager

Council Meeting Date: 2/28/2023

Date Prepared: 2/22/2023

Agenda: Consent

Background Information: With the difficulty of police departments recruiting lateral police officers statewide, jurisdictions are offering various incentives to attract experienced qualified police officers. In an effort to maintain the City of Grass Valley's ability to attract experienced police officers competitive with other jurisdictions, the City Manager has recently re-opened the current Labor Memorandum of Understanding (MOU) with the Grass Valley Police Officers' Association (Unit 6) to add discretionary recruitment incentives. These discretionary recruitment incentives for a lateral hire would provide the ability for the City to allow salary step placement to match experience within the salary range, and up to 80 hours vacation incentive at date of hire. Additionally, lateral hires may earn vacation accruals commensurate with their years of experience. Unit 6 has agreed to these recruitment incentives. All other terms, conditions, and provisions of the MOU, to the extent not modified by this Agreement, shall remain in full force and effect.

Council Goals/Objectives: Approval of the updated negotiated Side Letter between the City and Unit 6 executes portions of the work tasks towards achieving /maintaining the Strategic Plan goal to maintain a Productive and Efficient Workforce.

Fiscal Impact: The fiscal impact will be minor and will vary from year to year, but should be handled annually within the department's budget.
