Prepared by: Bjorn P. Jones, PE, City Engineer

Council Meeting Date: 12/12/2023

Date Prepared: 12/06/2023

Agenda: Consent

Background Information: On July 25, 2023, Council authorized the award of a contract for the 2022/23 Annual Street Rehabilitation Project to Consolidated Engineering Inc. in the amount of \$625,970.00. The project involved pavement rehabilitation, concrete sidewalk and curb ramp construction and pavement striping and marking on Lucas Avenue, Miners Trail, French Street, and portions of Clark Street, Clipper Lane, Wiley Lane, Fiddick Lane, and Neville Way.

All the work has been completed by the contractor with two contract change orders issued. Final project costs totaled \$659,547.21.

The Engineering Division has field accepted the work and the contractor has provided the City with a guarantee of work for a period of one year following the date of acceptance of the project. Upon Council's acceptance, Staff will file a Notice of Completion with the County Recorder's Office. If no Stop Notices are received by the City after a period of thirty-five (35) days from the filing date of the Notice, all appropriate bonds will be released to the contractor.

Council Goals/Objectives: The 2022/23 Annual Street Rehabilitation Project executes portions of work towards achieving/maintaining Strategic Plan - City Infrastructure Investment.

Fiscal Impact: The project was fully funded in the FY 23/24 CIP Budget with a combination of RMRA, RSTP and Gas Tax Funds.
