

City of Grass Valley City Council Agenda Action Sheet

Title: Scotten Field Access Improvements Project - Authorize Contract

CEQA: Exempt - Class 11 "Accessory Structures"

Recommendation: That Council authorize the City Engineer to execute a construction contract with Hansen Bros. Enterprises for the paving of the Scotten School field access road and parking lot, for an amount not to exceed \$90,500.

Prepared by: Bjorn P. Jones, PE, City Engineer

Council Meeting Date: 04/19/2023

Date Prepared: 04/25/2023

Agenda: Consent

Background Information: On May 9, 2022, Council authorized the award of a contract for the Condon and Scotten Turf Replacement Project to Goodland Landscape Construction, Inc. The project involved the construction of a new artificial turf multi-use field at Scotten School, incorporating a new dedicated access road and parking lot for the field. Originally, the project envisioned gravel surfacing on both the access road and parking lot, however due to dust concerns near the school and in order to minimize long term maintenance, it is desirable to hard surface both areas instead with asphalt concrete pavement.

In order to expedite construction and complete the paving work immediately following final completion of the remaining project work in the coming weeks, staff requested quotes from paving contractors. Three quotes were received, and Hansen Bros. Enterprises was the lowest bidder at a proposed cost of \$82,279.25, including painted parking lot stripes and parking bumpers. A Bid Summary is attached.

Measure E funds are available in the current budget to complete this work. It is requested that Council authorize the City Engineer to execute a construction contract with Hansen Bros. Enterprises, for an amount not to exceed \$90,500.

Council Goals/Objectives: The Scotten Field Access Improvements Project executes portions of work tasks towards achieving/maintaining Strategic Plan - Recreation & Parks.

Fiscal Impact: Measure E fund dedicated to parks improvements are available in the current Fiscal Year 22/23 Capital Improvements Project budget.

Funds Available: Yes
