**Council Meeting Date:** 06/14/2022

**Date Prepared:** 06/09/2022

**Agenda:** Consent

**Background Information:** California State Senate Bill 1 (SB 1), the Road Repair and Accountability Act of 2017, was passed by the Legislature and signed into law by the Governor in April 2017 in order to address significant transportation infrastructure funding shortfalls statewide. SB 1 includes accountability and transparency provisions that will ensure the residents of the City of Grass Valley are aware of the projects proposed for funding in our community and which projects have been completed each fiscal year. SB 1 requires the City of Grass Valley to provide a specific list of projects proposed to receive funding from RMRA funding, including a description and location of each proposed project.

Overall, the City of Grass Valley is scheduled to receive an estimated \$293,139 in RMRA funding in Fiscal Year 2022/23. Staff recommends that the FY 2022/23 budget and specifically the 21/22 Annual Street Rehabilitation Project budget, include the full \$293,139 in RMRA funds. The project was previously proposed in FY 2021/22, partially funded with 21/22 RMRA funds and will continue to utilize RMRA apportionments in the upcoming fiscal year.

The 21/22 Annual Street Rehab Project will focus on basic maintenance and rehabilitation of the street infrastructure, with proposed locations including Clark Street, Lucas Lane, Clipper Lane, Pine Street, Miners Trail and French Avenue. Staff requests that Council adopt the attached Resolution specifying the list of RMRA funded projects in the CIP Budget.

**Council Goals/Objectives:** Utilization of RMRA funding executes portions of work tasks towards achieving/maintaining Strategic Plan - Community Safety and City Infrastructure Investment.

**Fiscal Impact:** The City of Grass Valley will receive an estimated \$293,139 in 22/23 RMRA funding which will supplement an estimated \$254, 801 in 21/22 RMRA funding to fully fund the project.
