**AGREEMENT BETWEEN THE CITY OF GRASS VALLEY CITY COUNCIL AND THE
SIERRA NEVADA COUNTY PROFESSIONAL FIREFIGHTERS, IAFF LOCAL 3800 FOR AND
ON BEHALF OF THE EMPLOYMENT CLASSIFICATIONS IN THE CITY'S UNIT #8
"FIREFIGHTERS" FOR CALENDAR YEAR 2026.**

This agreement is made and entered into by and between the City of Grass Valley, hereinafter referred to as the "City", and the Sierra Nevada County Professional Firefighters, Local 3800 hereinafter referred to as the "Unit" or "Employees".

ARTICLE 1 - RECOGNITION

The City recognizes the Sierra Nevada County Professional Firefighters, Local 3800 and their designated representatives, as the exclusive representatives of the Firefighters Unit #8.

A. Dues Deductions

Employees may sign up for payroll deductions of Local 3800 dues with Local 3800. Local 3800 will certify to the City any new members of Local 3800.

City agrees to deduct dues as established by Local 3800, and premiums for approved insurance programs from the salaries of Local 3800 members. The sum so withheld shall be remitted by the City, without delay, directly to Local 3800 along with a list of Employees who have had such amounts deducted. Local 3800 agrees to provide a listing of all additions or deletions of membership or requested changes to establish payroll deductions of its members to the City.

The Employee's earnings must be sufficient after the other legal and required deductions are made to cover the amount of the dues authorized. When an Employee is in a non-pay status for an entire pay period, no withholding will be made to cover the pay period from future earnings. In the case of an Employee who is in a non-pay status during only part of the pay period, and the salary is not sufficient to cover the full withholding, no deduction shall be made. All other legal and required deductions (including healthcare deductions) have priority over Local 3800 dues.

It shall be the sole responsibility of Local 3800 to procure and enforce payroll deduction of dues.

Local 3800 shall indemnify, defend, and hold harmless the City, its officers, employees, and agents acting on its behalf from and against any and all losses, damages, costs, expenses, claims, demands, actions, suits, judgments, and other forms of liability arising out of the application or enforcement of this Section. In no event shall the City be required to pay from its own funds Local 3800 dues which the Employee was obligated to pay but failed to pay regardless of the reasons.

Any Local 3800 member who notifies the City of their desire to discontinue dues or otherwise withdraw from Local 3800 membership shall be referred to Local 3800. The City agrees to continue all dues deductions until notified of a deduction change by Local 3800.

The City will provide Local 3800 with ten (10) days' advance notice by email to the Local 3800 President of any new Employee orientation as provided under California Government Code §3556. A designated Local 3800 representative will be given access and a reasonable amount of time without loss of pay during all new Employee orientation meetings to communicate with the Public

Employees that Local 3800 represents to ensure the effectiveness of state labor relations statutes, meaningfully communicate through cost-effective and efficient means with the Public Employees on whose behalf it acts, and afford Local 3800 representatives an opportunity to discuss the rights and obligations created by this MOU and the role of Local 3800, and to answer questions.

The City will provide Local 3800 by email to the Local 3800 President with a list of the name, job title, department, work location, work telephone number, home telephone number, personal cellular phone number, personal email address, and home address of any new Employee in Local 3800's bargaining unit within thirty (30) days of hire or by the first pay period of the month following hire as provided under California Government Code §3558.

The City will provide Local 3800 by email to the Local 3800 President with a list of all Employees in Local 3800's bargaining unit at least every one hundred twenty (120) days. The list will include each Employee's name, job title, department, work location, work telephone number, home telephone number, personal cellular phone number, personal email address, and home address.

Nothing in the article is intended to limit or abridge the provisions of AB 119 as codified in California Government Code sections 3555 to 3599.

In compliance with SB 191, if the City has not conducted an in-person new Employee orientation within thirty (30) days of a newly hired Employee's start date, and the new Employee is working in person, the Association has a right to schedule an in-person meeting at the worksite during working hours. During that meeting, the exclusive representative shall be permitted to communicate directly with newly hired Employees in the applicable bargaining unit for up to thirty (30) minutes. The newly hired Employees must be allowed paid time off, and relieved of other duties, for attending the meeting. Upon receiving a request from the Association, the City will provide an appropriate on-site meeting space within seven calendar days. This provision expires June 30, 2025.

ARTICLE 2 – SUPPORT OF AGREEMENT

During the term of this Agreement, the City agrees to meet and confer only with the representative(s) officially designated by Local 3800 to act on its behalf and which is within its scope of representation. This leave may be taken for the birth or adoption of a child, to care for a child, spouse or parent who has a serious health condition or for one's own health condition that makes the Employee unable to perform the essential functions of the job. If this leave is granted, upon return, the Employee will be reinstated to the same or a comparable position as the position held before the leave unless such a position no longer exists. Available accruals must be used for such leaves. For leaves related to an Employee's own serious health condition, or that of an eligible family member, sick leave will be utilized first, followed by other accrual (holiday, CTO, vacation). If all available accrual is depleted an Employee may continue on an unpaid leave until the twelve (12) week maximum leave is taken. If an Employee desires to take an FMLA or CFRA leave not associated with the serious health condition of him or herself, or an eligible family member, sick leave hours accrued may not be used.
2. Whenever possible, the Employee must provide at least thirty (30) days written notice that they wish to take this leave of absence. When this is not possible the Employee must notify the City, in writing, as soon as possible. Failure to comply with these notification rules may result in the denial or deferral of the requested leave until the Employee complies with the notice provisions.
3. The City will require the certification from the health care provider who is attending to the serious health care condition of the Employee, the Employee's child, spouse or parent before allowing the Employee to take a leave to take care of that family member. If there is a question concerning this certification, the City reserves the right to require additional certification(s) (without being given a diagnosis) at City expense. Unless otherwise agreed to by the City, any Family and Medical Care Leave must be taken in segments of one (1) full workday (shift).
4. If the Employee is pregnant, she is entitled to pregnancy disability leave and/or Family and Medical Leave in accordance with California and federal law.
5. The cost of the health care coverage while on a Family and Medical Care Leave less any portion of the premium required to be paid by the Employee will be paid for by the City for up to twelve (12) weeks. If the Employee does not return from leave, the Employee will be responsible for reimbursing the City for the insurance premiums paid on their behalf.

1. In the general schedule of pay ranges established by the City Council each classification within a department has an applicable range consisting of five steps.
2. All appointments from a listing of eligible candidates will enter the probationary periods at the base salary of the range applicable to the job. The Fire Chief may recommend elevation above the entry level step to compensate for education, experience or as a recruitment incentive.

3. All Employees shall be eligible for a merit step increase to the next step in pay range every twelve (12) months until the end of his or her pay range. No advance in pay shall be automatic upon completion of the periods of service outlined hereinabove. All increases shall be made on the basis of merit as established by the Employee's service, and after the recommendation of the Department Head and approval by the City Manager. Increase in pay shall be withheld in cases of inferior work, lack of application, or indifferent attitude. Employees denied a merit increase will be eligible for reconsideration six (6) months following their initial review date.
4. Upon recommendation of the Fire Chief and approval of the City Manager, any Employee may be given an administrative raise to the next step in range, but not more than one (1) in eighteen (18) months. The administrative raise is not a right but may be given for outstanding services. A two and one-half (2.5%) percent administrative raise may be given above the five (5) step range schedule.
5. An Employee promoted from a Fire Department promotional list shall move to the closest salary step in the new class that gives a minimum of a five (5%) percent increase over base pay, not to exceed the top of the pay range, as recommended by the Fire Chief to the City Manager. The date of the promotion will establish a new anniversary date for the Employee's future performance evaluations. Should a promotion occur concurrently with the Employee's evaluation, and the Employee is eligible for a merit increase, the merit increase is to be included in the base salary before promotion.
6. Employees transferred from one department to another in the same classification will continue to receive the same salary and will have no change in their anniversary date and would not be subject to a probationary period.
7. Allocation to a class with Lower Salary Range (Voluntary Demotion or Reclassification): If the salary range of the new class to which an Employee's position is allocated has a maximum lower than that of his/her current class, but not lower than his/her actual salary, he/she should continue to receive his/her present salary until his/her next anniversary date, which remains unchanged, at which time he/she would be eligible to move by a merit increase in the proposed range. If the top of the new range is lower than the current salary, then the salary will be reduced to an amount not to exceed the top of the new range effective the next full pay period one year from the re-allocation date.
8. An Employee reassigned by management to a position in a lower classification (demotion) will move to the closest salary step in the new class that provides a minimum five (5%) percent decrease in base pay. The anniversary date for future evaluations will be the date of the demotion.
9. A reclassification may result if the job, responsibilities, duties, requirements, skills change to a degree that the position needs to be placed in a new classification. If the reclassification impacts only the incumbent Employee and the Employee is qualified for the position, they will be placed in the position. If more than one Employee is impacted and each is qualified, an internal review of the Employees will be completed to select the best qualified person for the position. A reclassification will result in the elimination of the old position if it is a single person position and be replaced with the new position, as by the very process the position has fundamentally changed. If the position is used by other departments the position being reclassified will be eliminated from the department impacted. A reclassification is not a promotion and does not carry with it an automatic pay increase. If the Employee's salary is currently below the minimum of the new range, the Employee's salary will be increased

to meet the minimum rate of the new range. A reclassification will not change the Employee's annual evaluation date. The Employee will be able to move through the new pay range based on the normal evaluation and merit process.

7. Payments to Employees for acting assignments will be made each pay period.

C. Informal Actions

1. **Verbal Counseling:** An opportunity to communicate in a non-punitive fashion that a problem is perceived and that the supervisor is available to help solve it. This action cannot be appealed.
2. **Documented Counseling:** A written record of performance issue accompanied by a written performance improvement plan including timeframes. A copy of this counseling is given to the Employee, and one (1) copy is filed in the supervisor's working file until the Employee's next performance evaluation, where such counseling may be noted and then removed from the supervisor's file and destroyed.
3. **Letter of Warning:** Informal action generally used after counseling has failed. Letter to document performance failures and advise Employee that if situation continues, a formal action will follow.

D. Formal Disciplinary Actions

1. **Written Reprimand:** A written communication to the Employee that an offense has been committed. This action can be discussed with the Fire Chief if so requested by Employee. The Fire Chief may uphold or modify the reprimand. A copy of this reprimand is given to the Employee, and one (1) copy is filed in the Employee's personnel file.
2. **Suspension Without Pay, Demotion, or Reduction in Pay:** These are serious disciplinary actions and are subject to the Skelly procedures below.
3. **Dismissal for Cause:** The final step in the progressive disciplinary process. Only the City Manager may dismiss any Employee covered by this MOU.

E. Administration of Discipline

1. Although one or more of these steps may be taken in connection with a particular Employee, no formal order or system is necessary. The severity of the action depends on the nature of the offense and an Employee's record and may range from verbal counseling to immediate

dismissal.

2. An Employee serving an initial probationary period may be discharged without application of the disciplinary process and with no rights of appeal.

F. Skelly Process

1. All formal disciplinary actions will be covered under this section when requested by the Employee.
2. The Employee shall be provided notice of the proposed discipline.
3. Within fourteen (14) calendar days of the notice of proposed discipline, the Employee or his/her representative may file a request for Skelly meeting.
4. The Skelly Officer shall schedule a pre-disciplinary response meeting with the Employee and his/her representative, if any, within fourteen (14) calendar days of the receipt of the request for meeting.
5. The Skelly Officer shall conduct the meeting and shall render a decision upholding, modifying, or overturning the proposed action, within fourteen (14) calendar days of the date of the Skelly meeting.

G. Appeal Process

1. Once a decision has been reached by the Skelly Officer that discipline is appropriate, the discipline will be imposed.
2. Appeal to the Personnel Commission: Any regular Employee who has completed their initial probationary period shall have the right to appeal the decision of the Skelly Officer by following the appeal process outlined in the Civil Service Rules and Regulations. There is no cost to the Employee for an appeal to the Personnel Commission, other than the cost of a copy of the transcript or other recording of the proceedings, pursuant to Section 11.6 of the Civil Service Rules and Regulations.
3. Alternative Appeal to Advisory Arbitration: As an alternative appeal procedure to that set forth in section G.2 above, any regular Employee who has completed their initial probationary period may elect to appeal the decision of the Skelly Officer to advisory arbitration, pursuant to the following procedure:
 - i. The appeal request must be made in writing to the City Manager within fifteen (15) days of the decision of the Skelly Officer;
 - ii. Within seven (7) calendar days of receipt of the appeal request, the parties shall select an arbitrator, either by mutual agreement, or if unable to agree, by submitting a joint request to the State Mediation and Conciliation Service for a list of five (5) qualified arbitrators.
 - a. The parties shall take turns striking names from the list, beginning with the party who wins a coin toss, until one remains.
 - b. Because appeal to advisory arbitration is an Employee-elected alternative procedure to an appeal to the Personnel Commission, each party shall pay fifty (50%) percent of the cost of arbitration, which may include a court reporter appearance fee. Should a transcript be desired, each party shall pay for the cost of its own copy of the transcript. Each party shall bear their own attorney's fees.
 - c. The arbitrator's decision shall be mailed to both parties, with the City's copy mailed to the City Clerk. The arbitrator's decision is advisory to the City

Council. The City Council shall, within thirty (30) days of the City Clerk's receipt of the arbitrator's decision, convene a hearing in closed session to review the arbitrator's decision. The City Council may approve, modify or reject the arbitrator's decision. The decision of the City Council is final.

4. Nothing herein shall restrict the right to make bona fide reduction in force or enact legislation requiring retirement for disability or age.
5. Discipline once imposed is only subject to this appeals process under Article 15 and is not grievable.

ARTICLE 16 – GRIEVANCE PROCEDURE

A. Definition

Grievance - A grievance is any dispute concerning the interpretation or application of this Agreement, or of rules or regulations governing personnel practices or working conditions, or of the practical consequences of a City rights' decision on wages, hours and other terms and conditions of employment.

B. Process

Grievances shall be processed in accordance with procedures established by the City.

C. Procedures

1. All grievances shall be processed only in accordance with the procedures and general conditions set forth below
2. It is the intent of these procedures to encourage resolution of grievances informally, at the nearest practical organizational level from which it emanates, and as promptly and fairly as possible to all concerned.

D. Informal Grievance

1. Within fourteen (14) calendar days (two (2) week tours) following an occurrence giving rise to a grievance, the Employee shall orally present the grievance situation to his/her immediate supervisor. (Exception: where the grievance directly involves the working relationship with the supervisor, the grievance shall be presented to the next higher level of supervision). The Employee and Supervisor have a mutual responsibility to have the grievance resolved at their level whenever possible.
2. Presentation of an informal grievance shall be necessary prior to processing it further as a formal grievance.

E. Formal Grievance

A formal grievance shall only be initiated by completing the grievance form provided by the City Manager's Office.

Step 1

1. If a mutually satisfactory solution of the grievance was not resolved informally, the Employee may file a written grievance with his/her Department Head (or designated representative) within fourteen (14) calendar days after the last meeting between the Employee and Supervisor. Within fourteen (14) calendar days after the formal grievance is received, the Fire Chief shall investigate the facts and issues at the earliest date consistent with the nature of the grievance and the normal conduct of the department's business. Within

five (5) working days after concluding the investigation, the Fire Chief shall render a decision in writing to the Employee.

2. Unless a decision of the Fire Chief is appealed by the Employee to Step Two, in the time limits provided, the grievance shall be deemed resolved, final and binding.

Step 2

1. If the Employee is not satisfied that the grievance has been resolved in Step One, he/she may, within fourteen (14) calendar days after the receipt of decision, request in writing that the City Manager consider the grievance and decision as rendered by the Fire Chief. Within fourteen (14) calendar days after the grievance is received, the City Manager (or designated representative) shall review the facts, issues and make such further investigation as is necessary at the earliest date consistent with the nature of the grievance and normal conduct of City business. Within fourteen (14) calendar days after concluding the review, the City Manager shall render a decision in writing to the Employee and Fire Chief.
2. Unless the decision of the City Manager is appealed by the Employee to Step Three, in the time provided, the grievance shall be deemed resolved, final and binding.

Step 3

1. If the Employee is not satisfied that the grievance has been resolved in Step 2, he/she may, within fourteen (14) calendar days after the City Manager's decision is rendered, request in writing to the City Manager, that the City Council consider the grievance and decision rendered by the City Manager. Within fifteen (15) working days after the grievance is received, the City Council shall designate a sub-committee which shall commence conducting the review. The City Council subcommittee shall determine the best means to conduct the review of the facts, issues and such further investigation as is necessary at the earliest date consistent with the nature of the grievance and normal conduct of City business. Within fourteen (14) calendar days after concluding the review, the City Council subcommittee shall render a decision in writing to the Employee, City Manager and Fire Chief.
2. As an alternative procedure to that set forth in Step 3, paragraph 1 above, the Employee or the Union may elect to submit the grievance to advisory arbitration pursuant to the following procedure:
 - i. The request to proceed to advisory arbitration must be made in writing to the City Manager within fourteen (14) calendar days of the decision of the City Manager;
 - ii. Within seven (7) calendar days of receipt of the request, the parties shall select an arbitrator, either by mutual agreement, or if unable to agree, by submitting a joint request to the State Mediation and Conciliation Service for a list of five (5) qualified arbitrators.
 - a. The parties shall take turns striking names from the list, beginning with the party who wins a coin toss, until one remains.
 - b. Because submittal of the grievance to advisory arbitration is an Employee or Union-elected alternative procedure to resolution by the City Council under Step 3, paragraph 1, each party shall pay fifty (50%) percent of the cost of arbitration, which may include a court reporter appearance fee. Should a transcript be desired, each party shall pay for the cost of its own copy of the transcript. Each party shall bear their own attorney's fees.
 - c. The arbitrator's decision is advisory to the City Council. The City Council may appoint a City Council sub-committee which shall review the written decision of the arbitrator and the record and issue a written decision within

thirty (30) days of receipt of the written arbitrator's decision. The City Council or its sub-committee may approve, modify or reject the arbitrator's decision.

3. The decision rendered by the City Council or its sub-committee shall be final and binding on all parties.

F. General Conditions

1. Review and determination of a grievance is applicable to certain interpretations and applications as set forth under Definitions and, as such, cannot change any City adopted salary schedules/ranges or such other benefits subject to the meet and confer process. Oral or written evaluations or other corrective directives and merit step determinations, for example, are not grievable matters.
2. Grievances may be made only on behalf of an Employee who has successfully completed the required probationary period and attained permanent status.
3. An Employee may choose to represent himself/herself or select a representative of his/her choice. The Employee shall be personally present at any meeting which may be held, unless he/she specifically waives that right in writing.
4. In the event that more than one (1) Employee is directly involved in a grievance, they shall select one (1) person from among them to carry the grievance forward on their behalf. This person may also select a representative of his/her choice. The Employee shall be present at any meetings which may be held, unless he/she specifically waives that right in writing.
5. Any time limit of these procedures may be extended by mutual consent of the parties in writing or by action of the Mayor in writing to all parties.
6. During the grievance process, there shall be no interruption of scheduled work of a Department or the City.
7. The time frames provided for may be modified by mutual agreement between the parties.

ARTICLE 17 – SAFETY

C. Employee Alertness

1. The most effective safety equipment an Employee possesses is an alert mind. 2. The parties recognize the problems associated with alcohol and drug abuse in the workplace and recognize the safety hazard which would be presented if a unit Employee worked while under the influence of alcohol, intoxicating drugs or controlled substances. The parties further agree that a testing procedure with both privacy and accuracy safeguards is one appropriate means to protect the safety of Employees in the unit. The parties to the Agreement, therefore, wish to evidence their agreement to the concept of accurate drug and alcohol testing implemented with adequate safeguards to preserve Employee's privacy and prevent abuse, as per attached drug and alcohol policy and "Chain of Custody" policy.

Such objective facts may include characteristics of the Employee's appearance, behavior, mannerisms, speech, or body odors. Components of such documentation should include:

 2. manner of speech,

The City shall develop a policy guideline for EAP Programs.

ATTACHMENT A – SALARY SCHEDULE AND CLASSIFICATIONS

APPENDIX B - PROCEDURE TO MONITOR CHAIN OF CUSTODY

Upon implementation of its drug/alcohol-testing program, the City of Grass Valley should enter a contractual agreement with a NIDA certified physician service, hospital, and/or laboratory.

Inter alia, the contractee should design a chain of custody procedure, a copy of which should be provided by the City to the Bargaining Unit. Items to be addressed include:

- A.** Who will coordinate the urinalysis program? This question really has two parts: What department will be responsible for the program, and who will collect the sample?
- B.** How will sample tampering be prevented?
- C.** Chain of custody samples: Starting at the time of collection, a sample's chain of custody must be documented and protected. Chain of custody is a legal term that refers to the ability to trace the sample from the time it was donated by the employee or applicant through all the steps in the process: from collection, through analysis, to reporting the result.
 - 1.** Were the specimen and the reported result correctly matched?
 - 2.** It will be further required that each time the sample changes hands or is moved from one place to another, it is signed and kept in a secure area to insure against inadvertent or intentional switching with another sample.
 - 3.** The elements of a good chain of custody procedure include the following:
 - i.** The employee should be supervised while delivering the specimen.
 - ii.** The specimen container/s, preferably tamper-proof, should be banded directly to the person supervising the collection and labeled and sealed immediately. (The sample should be split, with one container held in reserve for possible re-testing).
 - iii.** The collector and the donor should initial the bottle to indicate that both agree that the bottle contains the person's urine specimen.
 - iv.** The name of each person who has access to the specimen should be noted on a form accompanying the specimen.
 - v.** The sample should be kept in a secure place such as a locked room or refrigerator until it is either tested or sent to the laboratory.
 - vi.** Testing performed at the workplace should be done in a secure location to avoid the possibility of a passerby exchanging samples.
 - vii.** The sample must be transported to an outside laboratory. It should be mailed in a sealed container. U.S. Mail, or a commercial postal service or courier is all acceptable means for transporting specimens.
 - viii.** The specimen must be in the same condition when offered as evidence as it was when taken, unless the change is for a justified purpose such as an alteration required for the testing procedure.
- D.** Further items to be addressed concern the documentation procedures and consequences when an employee:
 - 1.** Refuses to submit a specimen; or
 - 2.** Alleges that he/she cannot provide a specimen.
- E.** Maintenance of confidentiality by facility and employer:
 - 1.** If the medical department does the testing and the results become part of the medical file, that file is protected under law.
 - 2.** Stringent confidentiality is required by all departments of the City. Unless there is justifiable reason to know the test results, the information should be confidential.
