The City of Grass Valley currently has approximately \$300,000 available to allocate to street improvement projects.

The City has identified the need for RSTP for construction funding of the planned 2022 Annual Street Rehabilitation Project to complete street repair and resurfacing of various streets in the Race Street neighborhood.

Staff requests that Council authorize the Mayor to execute the attached resolution, requesting Regional Surface Transportation Program funds for construction of street improvement projects as described above. Upon execution of the resolution, staff will submit a claim form to NCTC with the resolution attached per NCTC's Policies and Procedures Manual.
