The City shall not be entitled to withhold or delay payments due to Sun Ridge pursuant to the above Payment Schedule due to delay in the delivery, installation, or testing of Software items described in Exhibit A where the delay is the result of action or inaction or breach of this Agreement by the City, its agents or employees or the action or inaction of a third party which is not within Sun Ridge’s reasonable control.

**Section 5. Invoices.** Invoices shall be sent to:

GVPD	Administration	–	<a href="mailto:gvpdadmin@grassvalleyca.gov">gvpdadmin@grassvalleyca.gov</a>

In addition to any other amounts for which the City is liable under this Agreement, the City agrees to pay to Sun Ridge a late charge equal to one percent (1%) of the amount due if the City fails to pay Sun Ridge any amount that is due and owing pursuant to this Agreement within sixty (60) days after the City's receipt of an invoice from Sun Ridge. Any invoiced amounts that are due and owing under this Agreement which the City fails to pay to Sun Ridge within ninety (90) days after the City's receipt of an invoice from Sun Ridge shall thereafter bear interest at the rate of twelve percent (12%) per annum or the highest interest rate allowed by applicable law, whichever is less.

**Section 6. Term of Agreement.** Unless terminated earlier in accordance with the provisions of this Agreement or applicable law, the term of this Agreement ("Term") shall be from the date shown on the first page of this Agreement through completion of the Project. Notwithstanding the foregoing, the License described in Section 9 below will remain in effect until it is terminated pursuant to Section 9.

**Section 7. Warranty/Disclaimer of Liability.**

a. Sun Ridge warrants that upon delivery, and thereafter at all times during the Term, the Software substantially conforms to its Documentation and is free from defects that will materially impair its use. The City's sole and exclusive remedy for breach of this warranty will be repair or replacement of the Software. Sun Ridge will make reasonable efforts to correct errors in the Software but does not warrant that the Software is error-free or will perform without interruption. The City has relied solely upon its own investigation and judgment in selecting the Software and not upon any representations or promises of Sun Ridge except as may be expressly stated in this Agreement.

b. THE FOREGOING WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES PERTAINING TO THE SOFTWARE, EXPRESS OR IMPLIED, AND SUN RIDGE SPECIFICALLY DISCLAIMS ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

c. IN NO EVENT WILL SUN RIDGE BE LIABLE FOR LOST BUSINESS, INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES, HOWEVER CAUSED, WHETHER FOR BREACH OF WARRANTY, CONTRACT, TORT (INCLUDING NEGLIGENCE, STRICT LIABILITY, OR OTHERWISE) ARISING OUT OF THE QUALITY, CONDITION OR USE OF THE SOFTWARE OR ANY OTHER PART OF THE PRODUCT. IN NO EVENT WILL SUN RIDGE BE LIABLE FOR ANY AMOUNT WHICH EXCEEDS THE AMOUNT PAID BY THE CITY FOR THE PRODUCT.

**Section 8. Final Acceptance.** For thirty (30) days from the beginning of the City's Operational Use of the Software or forty (40) days after the completion of installation and training by Sun Ridge, whichever comes first (the "Test Period"), the City shall test the system for defects and anomalies. "Operational Use" is defined as the City's use of the Sun Ridge Software in the course of the City's daily business activities. During the Test Period, Sun Ridge shall address and attempt to resolve issues with the Software identified by the City under the Software Support Services Agreement (Exhibit C). At the end of the Test Period, the City shall accept or reject the Software as follows:

a. If the City determines that the Software is performing to its satisfaction it shall immediately provide written notice to Sun Ridge of final acceptance of the Software ("Final Acceptance Notice"), and upon receipt of a valid invoice from Sun Ridge, shall

process and pay the final milestone of the Contract Amount including any additional outstanding milestone Payment Amounts. Any remaining issues with the Software shall be covered as part of the original cost of the system and handled as maintenance items under the Software Support Services Agreement (Exhibit C).

b. If the City decides to not accept the Software, then it must so notify Sun Ridge in writing within ten (10) calendar days after the end of the Test Period (a "Rejection Notice"). If a Rejection Notice is given, this Agreement shall be automatically terminated and all payments already made by the City to Sun Ridge, less the cost of project management, installation, data conversion, and training services provided up to the date of termination shall be returned to the City by Sun Ridge within thirty (30) days after receipt of the notice. The terms of Section 11 and all other provisions of this Agreement that expressly survive such termination shall apply.

c. If the City fails to provide a Final Acceptance Notice or a Rejection Notice within five (5) calendar days after the end of the Test Period, then the City's final acceptance of the Software shall be considered to have occurred and the City and Sun Ridge shall proceed as described in section 8.a above.

**Section 9. Software License.** Subject to the terms, conditions, limitations and restrictions set forth in this Agreement, Sun Ridge grants to the City a nonexclusive and non-transferable license, effective upon the City's Final Acceptance of the Software pursuant to Section 8 above, to use the Software in connection with the City's normal and customary daily operations substantially as they exist as of the date of commencement of the Term as described below (the "License"). The City shall acquire no ownership or other rights in or to the Software except for the License granted hereunder, and title to the Software shall at all times remain with Sun Ridge.

vi. The City shall not embed the Software in any third-party applications, unless expressly permitted under this Agreement or otherwise authorized in writing in advance by an authorized officer of Sun Ridge.

vii. The License granted under this Agreement shall apply only to the object code for the Software. No one using the Software, and no one for whose benefit the Software is being used, shall have the right to use or have access to the source code for the Software, and neither the City nor anyone using the Software pursuant to this License will modify, change, merge, adapt, translate, reverse engineer, decompile, disassemble or prepare derivative works based upon the Software.

i. Sun Ridge may immediately terminate the License in the event of any failure by the City to comply with the terms or conditions of this Agreement by giving written notice of such termination to the City in compliance with Section 11 of this Agreement. In the event the City has leased the Software from Sun Ridge, the License will terminate automatically upon termination of the lease. Upon such termination, the City shall immediately cease further use of the Software and will cause all copies of the Software to be destroyed or returned to Sun Ridge, and Sun Ridge shall refund to the City all amounts prepaid by the City for any period of the License commencing with the effective date of termination.

ii. The City may terminate the License at any time by giving written notice thereof to Sun Ridge and by destroying or returning to Sun Ridge all copies of the Software. The City acknowledges and agrees that any election by the City to terminate the License hereunder will not entitle the City to any refund of amounts paid or compensation of any kind from Sun Ridge, except to the extent that the City terminates the License due to a breach of this Agreement by Sun Ridge.

iii. Upon any termination or expiration of the License, an authorized representative of the City shall certify in writing to Sun Ridge that all copies of the Software and the Documentation which were the subject of the License have either been destroyed or returned to Sun Ridge as required above.

iv. The provisions of Sections 7 and 10 through 13, inclusive, shall survive the expiration or termination of this Agreement.

c. Sun Ridge may, at its option, release updates to or new versions of the Software. If the City elects to obtain any update or new version of the Software, the use of such update or new version will be subject to the terms and conditions of this Agreement.

1. **Coverage Hours.** SRS will provide a toll-free phone number and dedicated email address for support purposes during normal service hours. Normal service hours are defined as Monday-Friday, 8AM-5PM PST, except for New Year’s Day, Martin Luther King Day, Presidents Day, Memorial Day, July 4<sup>th</sup>, Labor Day, Veterans Day, Thanksgiving Day, Day after Thanksgiving, and Christmas Day (“common holidays”).

However, for instances where the Licensee’s system is completely inoperable due to an SRS software problem (“critical problems”) preventing basic system operation, service will be available 24 hours, 7 days a week, common holidays included. Examples of critical problems include:

- RIMS is down/not responding on multiple workstations
- Cannot create a call for service (CAD Incident)
- Cannot issue a case number
- Unable to access NCIC
- Other issues that will not allow the user to complete critical tasks

Licensee will have taken reasonable measures prior to contacting SRS support during non-service hours including:

- Verified that the issue is not related to just 1 workstation
- Restarted the workstation in question
- Contacted in-house IT support if the issue is related to network or server errors
- Verified the issue is critical enough that it cannot wait until normal support hours

2. **SRS Response to reported problems.** SRS agrees to provide service and assistance as expeditiously as possible as follows:

- a. Most problems will be resolved with the initial phone call or email.

- b. For problems that cannot be immediately resolved, SRS will work to resolve the problem based on the severity of the problem *and* the urgency reported by Licensee.
- For critical problems, SRS personnel will work with Licensee until the situation is resolved.
  - For problems that are not critical problems that have a lesser though continuing impact on operations of Licensee SRS will endeavor to provide a solution or workaround within 72 hours of the problem being reported to SRS by the Licensee.
  - For other problems SRS may, at its discretion, either issue a near term "fix release" of the product or include the fix in the next scheduled product update.
3. **Licensee equipment and software responsibilities.** Licensee agrees to allow SRS to remotely connect to Licensee's system when a problem is reported. SRS uses BeyondTrust remote access software for secure installation and follow-on support services. BeyondTrust software provides superior security and does so over an ordinary internet connection via an SRS server that hosts a BeyondTrust security hardware device.
- If Licensee does not allow unattended access, the SRS response to a service request may be delayed until a responsible party of the Licensee allows access. Once remote access is obtained, SRS will examine data files, investigate reported problems, and provide updates and corrections as necessary.
4. **Provision of software updates.** SRS will provide all new enhanced and updated versions of software licensed to Licensee at no additional cost. This software will be provided with detailed installation instructions for installation by Licensee. If desired, Licensee may retain SRS to perform any installation at additional cost to be determined on a per case basis. Updates are distributed via download from the SRS ftp web site. SRS will not be obligated to provide service for release versions that are more than two annual release versions older than the current release.
5. **Term.** The term of the support period shall be one year from the date of system cutover and shall be annually renewed for another year upon payment of invoice. Payment for subsequent years is due in advance of the day the services begin. Non-payment of the support invoice within 60 days shall be cause for terminating or suspending support services at the discretion of SRS.
6. **Termination.** Licensee may terminate this Agreement with or without cause upon ninety (90) days written notice to SRS. If terminated, Licensee is entitled to a prorated refund for the service days not consumed beginning on the last day of the month the written notice is received by SRS to the end of the remaining term of the Agreement.
7. **Limitations.** SRS agrees to provide support only for public safety application software provided by SRS. Other software used by Licensee (word processing, spreadsheet, etc.) is not included in this Agreement. PC and network operating system software and Microsoft SQL Server database system software is similarly not included, although SRS may assist Licensee in isolating problems to this software. (SRS reserves the right to charge for diagnostic services in the event it is

determined that the reported issue is not attributable to RIMS.) Also specifically excluded is responsibility for administration, support, or maintenance of Licensee' server, computer network, operating systems, or database (Microsoft SQL Server).

Licensee may request that SRS provide support services outside the limitations of this Support Services Agreement. If SRS agrees to provide any requested additional support services, such support services will be provided at SRS's then current rate and under terms and conditions that SRS may require.

This Agreement does not include equipment maintenance or assistance in diagnosing hardware problems including but not limited to PCs, printers, network, scanners, and other computer peripheral devices with the exception that SRS will assist Licensee in determining whether a problem is attributable to RIMS.
