INTRODUCTION

This Memorandum of Understanding hereinafter referred to as the "Agreement" or "MOU" is made and entered into by and between the City of Grass Valley, hereinafter referred to as the "City", and the Grass Valley Police Officers, Police Officer Trainees and Police Sergeants, hereinafter referred to as the "Unit" or the "Employees".

ARTICLE 1 – RECOGNITION

The City recognizes the Employees who collectively are referred to as "Grass Valley Police Officers Association" as the sole and exclusive representatives of Police Sergeants and Police Officers/Trainees and other sworn positions as may be allocated by the City with concurrence from the Unit.

ARTICLE 2 – SUPPORT OF AGREEMENT

During the term of this Agreement, the City agrees not to meet and confer with any other organization on matters upon which the Employees is the exclusive representative and which is within its scope of representation. Employees agree to meet and confer only with the representative(s) officially designated by the City to act on its behalf, and to utilize the meet and confer process as the means of gaining consensus as to wages, hours and conditions of employment.

During the term of this MOU and as appropriate thereafter the parties agree to use the dispute resolution machinery as provided herein or by Civil Service rules as a means of adjudicating disputes between them.

ARTICLE 3 – ASSOCIATION RIGHTS AND DUES DEDUCTIONS

A. Association Rights

The Association shall have the following rights:

The Association shall have the right of access to bargaining unit members outside of their assigned duties; before and after work hours, at meal and break periods and at other times, only with the approval of the Police Chief.

The Association may use bulletin boards designated for its use in appropriate places. All items to be posted shall be officially authorized by the Association and shall bear the date of posting and the date of removal. Posted materials shall not be obscene, defamatory, or of a partisan political nature, misleading, violative of any Federal, State, or local ordinance, law, statute or rule. Such material shall not pertain to public issues which do not involve the City and its relations with employees. A copy shall be provided to the Police Chief.

The Police Chief or his/her designee, upon request, may permit the Association to use facilities, depending upon availability of space, for meeting purposes at no charge. No request for use of the

City facilities shall be unreasonably refused.

Employees shall not be given time off for meetings of the Association unless approved by the Police Chief.

The Association shall furnish annually and update as required a list of all officials and representatives authorized to act on the Association's behalf. The City agrees to grant authorized officials and representatives access to City property to transact officially the Association business upon prior notice to the City Manager.

B. Union Access to Employees

The City agrees that for purposes of representation on issues covered by this agreement, official representatives of the Union may meet with unit employees on City facilities during working hours, provided that prior notification has been given to the appropriate supervisor. The Union agrees that such meetings shall not interfere with the normal work duties of the employees.

Solicitation for membership in the Union or other internal association business not directly connected to administration of this agreement shall be conducted during the nonwork hours of all employees involved.

City facilities may be made available for use by City employees or the Union in accordance with such administrative procedures as may be established by the City Manager or Department Heads concerned.

City will provide a written statement to each new bargaining unit employee that the classification is part of a bargaining unit represented by the Union, and the name of a representative of the Union. City will provide the Union President not less than ten (10) days' notice of the onboarding orientation meeting, including the date, time, and location of the orientation meeting. If a bargaining unit employee's first day of work begins less than ten (10) days after the date the employee is hired, the 10-day notice requirement may be reduced, and City will instead provide as much advance notice as reasonably possible of the orientation meeting.

The City will allow a Business Representative of the Union and/or outside labor representative to spend up to fifteen (15) minutes with the new unit member at the end of the onboarding orientation meeting in order to provide information and materials about the MOU and related matters. No representative of City management shall be present during the Union's presentation. A bargaining unit member attending the onboarding orientation meeting as the Union representative shall be given paid release time sufficient to cover the Union's presentation and related travel time. The Union will provide the Human Resources Department with the names of any bargaining unit members who they request to be released for this purpose as soon as reasonably possible, and at least 48 hours before the meeting.

To the extent required by Government Code Section 3558, City shall provide the Union President with a list of names and contact information (listed below) for any newly hired unit member within 30 days of the date of hire or by the first pay period of the month following hire.

City shall also provide the Union a list of all unit member names and contact information on the last working day of September, January, and May. The information shall include the following information except for any information subject to exclusion pursuant to Government Code Section 6254.3(c):

- Employee name,
- Job title,
- Department,
- Work location,
- Home address, and
- Work, home and personal telephone numbers and personal email addresses on file with the City.

C. Dues Deductions

Employees may sign up for Payroll Deductions of Association dues with the Association. The Association will certify to the City any new members of the Association.

City agrees to deduct dues as established by the Association, and premiums for approved insurance programs from the salaries of Association members. The sum so withheld shall be remitted by the City, without delay, directly to the Association along with a list of employees who have had such amounts deducted. Association agrees to provide a listing of all additions or deletions of membership or requested changes to establish payroll deductions of its members, to the City.

The employee's earnings must be sufficient after the other legal and required deductions are made to cover the amount of the dues authorized. When an employee is in a non-pay status for an entire pay period, no withholding will be made to cover the pay period from future earnings. In the case of an employee who is in a non-pay status during only part of the pay period, and the salary is not sufficient to cover the full withholding, no deduction shall be made. All other legal and required deductions (including healthcare deductions) have priority over Association dues.

It shall be the sole responsibility of the Association to procure and enforce payroll deduction of dues.

Hold Harmless: The Association shall indemnify, defend, and hold harmless the City, its officers, employees, and agents acting on its behalf from and against any and all losses, damages, costs, expenses, claims, demands, actions, suits, judgments and other forms of liability arising out of the application or enforcement of this Section. In no event shall the City be required to pay from its own funds Association dues which the employee was obligated to pay, but failed to pay regardless of the reasons.

Any Association member who notifies the City of their desire to discontinue dues or otherwise withdraw from Association membership shall be referred back to the Association. The City agrees to continue all dues deductions until notified of a deduction

change by the Association

ARTICLE 4 - PROCEDURAL PREROGATIVES

It is understood that the City retains the procedural prerogative to initiate or to refrain from initiating actions that may affect association members' wages, hours and conditions of employment and that such actions, once initiated by the City are subject only to the express procedural limitations that may be set forth in the MOU, Civil Service Rules, Charter or other law. Such matters include, but are not limited to, the procedural rights to contract out work not performed by active association members, to transfer, lay-off, terminate or otherwise discipline employees, to reasonably accommodate qualified disabled persons/employees, to make technological improvements, and to take necessary action to implement the terms and conditions of the MOU.

The Association recognizes and agrees that the City, on its own behalf and on behalf of the electors of the City, retains and reserves unto itself, limited only by Articles of this MOU, all powers, rights, authority, duties and responsibilities conferred upon, and vested in it, express or implied, by the laws of the Constitution of the State of California and of the United States and the provisions of the City Charter.

The Association recognizes and agrees that the exercise of the foregoing powers, rights, authority, duties and responsibilities of the City, the adoption of policies, rules, regulations, and practices in furtherance thereof, and the use of judgment and discretion in connection therewith, shall be limited only by the specific and express terms of this MOU.

The Association recognizes and agrees that the City's powers, rights, authority, duties and responsibilities include, without limitation, the generality of the foregoing, the exclusive right to manage, plan, organize, staff, direct and control; to determine levels of services; to determine solely the extent to which the facilities of any department thereof shall be operated, and the outside purchases of products or services; the right to introduce new or improved methods and facilities and to otherwise take any action desired to run the entire operation efficiently, except as modified by this MOU.

It is understood and agreed that the specific provisions contained in this MOU shall prevail over City practices and procedures and over State laws and the City Charter to the extent permitted by State law, and that in the absence of specific provisions in this MOU, such practices and procedures are discretionary with the City. Nothing contained in this MOU shall be interpreted as to imply or permit the invocation of past practice, or tradition, or accumulation of any employee rights or privileges other than those expressly stated herein.

If a conflict arises between this MOU and a City Charter provision or resolution incorporated herein, the City's Charter provision or resolution shall prevail.

ARTICLE 5 - HOURS OF WORK AND BASIS OF COMPENSATION

A. Pay Periods

The "pay period" shall be fourteen (14) calendar days from Sunday (starting at midnight Saturday) to midnight of the second Saturday thereafter, and refers to the period for computing compensation due for all working hours during that period. Actual payment of payroll shall be made the ensuing Friday at noon following the end of the pay period.

B. Work Periods

The normal work schedule shall be eighty (80) hours within each work period for each full-time employee assigned to a 12 hour shift schedule and eighty (80) hours within each work period for each full-time employee assigned to an eight (8) or ten (10) hour shift schedule, and shall coincide with the established two (2) week period (consisting of 14 days or two weeks) from Saturday midnight to the second Saturday at midnight. Continuous work after midnight at the end of a work period shall be reported on the day in which the work shift began. The City shall have the right to implement schedules containing shifts of greater than (8) hours following proper notice and the opportunity to meet and confer.

The City shall have the right to implement schedules containing shifts of greater than eight (8) hours such as four (4) ten (10) hour shifts or three (3) twelve/(4) twelve (12) hour shifts upon 14 days notice to effected employees. Any hours worked beyond such schedules by non-exempt employees shall be paid at the overtime rate.

The hours of employment and legal holidays to be observed shall be with regard to convenience of the public.

Employees will be paid during their lunch period.

C. Calculation of Compensation

Compensation shall be calculated on the basis of 2,080 hours per year and twenty-six (26) equal pay periods per year. Compensation is based on the hourly rates and pay schedule set forth in Appendix A. Adjustments in hourly rates are rounded up to the nearest cent, but may not exceed the top of any pay range. Pay is based on 2,080 hours with hourly rates rounded to the nearest cent. The payment of compensation shall be calculated to the nearest one-fourth (1/4) hour.

D. Work Shift

The normal work shift means each shift during which an employee performs a normal working shift of continuous work hours as designated by their assigned classification or duty/specialty assignment, including holidays, Saturday and Sunday for those employees who work other than the regular Monday through Friday week. All time authorized in excess of a normal working shift shall be administered pursuant to Article 6.

ARTICLE 6 - OVERTIME, CALLBACK, STANDBY, COURT TIME, SPECIAL ASSIGNMENT PAY

A. Overtime

(1) Policy:

It is the policy that overtime work be discouraged; that the Police Chief arrange the work of his or her department so that full-time employees shall normally work not more than eighty (80) hours in any pay period. Overtime work shall be held to a minimum consistent with the efficient performance of necessary functions.

(2) Defined:

An employee authorized to work over their work shift or their duty assignment or over eighty (80) hours in a pay period will receive overtime. All hours compensated will be included for overtime purposes.

All work authorized as overtime shall be calculated at the overtime rate, which is one and one-half (1-1/2) times the regular hourly rate of pay.

(3) Authorization for Overtime Work:

Overtime work not specifically authorized shall be performed only upon express authorization of the Police Chief or subordinate empowered by him/her to authorize the same.

(4) Reporting Overtime:

Total hours of recorded authorized overtime for each pay period for each employee shall be reported on an attendance report and shall be signed by each Police Chief or his or her designee. The total hours of prior accumulated compensatory time taken off during each pay period shall be likewise reported.

(5) Fringe Benefits Not Affected by Overtime:

Overtime work shall not be a basis for increasing vacation or sick time leave benefits, nor shall it be a basis of advancing completion of required period for probation or salary step advances.

(6) Compensation for Overtime:

Employees shall have the option of either taking authorized overtime as pay or accrued as compensatory time. The balance of any accumulated Compensatory Time shall be paid upon termination of employment.

Compensatory time may be accrued up to one hundred twenty (120) hours.

B. Callback Time

Callback time shall be that time an employee is called back to work by the Police Chief before or after a normal work day; when an employee is required to work on a normal work day off by the Police Chief; in the event of an emergency; or when an employee is required to work on any holiday recognized by the City Council. The time actually worked or a minimum of two (2) hours

at one and one-half (1-1/2) times the regular hourly rate of pay shall be accrued as compensatory time, or taken as pay subject to the same rules for compensation for overtime provided above.

C. On Call Pay

At the discretion of the Police Chief, or designee, an employee may be assigned and scheduled to on-call status during off-duty hours. On-Call shall be paid at the rate of \$1.25 per hour for each hour that an employee is assigned to be On-Call.

D. Standby Time

Standby time shall be that time an employee is designated by the Police Chief to be available on immediate call (for example; court standby, fires, riots and critical incidents) on normal days or hours off, or that time an employee is designated by the Police Chief to be available on immediate call on holidays. If not called, the employee shall be compensated with two (2) hours overtime which may be taken as pay or compensatory time off subject to the same rules for compensation for overtime provided above.

E. Court Time

Court time is defined as that period of time when an employee is required to appear in court as part of the performance of his/her normal duties on a day when the employee would not otherwise be scheduled to work. Court time will be compensated only when the employee is required to appear in court in connection with his or her duties at a time when he/she is not otherwise scheduled to be working. An employee will not be granted court time during the same time period that callback time is compensable. Court time may be paid or accrued as compensatory time in the same manner and shall be computed on the basis of three (3) hours or the actual amount of the time the employee is required to appear in court, whichever is greater.

F. Special Assignment Pay

Specialty pay assignments will be made in accordance with Departmental Policies and Procedures and will receive compensation in addition to base pay as noted below. Police Officer Trainees are not eligible for special assignment pay. If an employee is routinely and consistently assigned to any of the below listed special assignments, the employee shall be compensated in the amount of two and one half or five percent (2.5 or 5%) as noted below , and in accordance with CCR Section 571.

Officer-In-Charge pay shall apply only to situations when a supervisor and/or manager is not on duty and responsible for the shift or work unit. Only one employee will be designated as an OIC should shifts overlap, and there is not an on-duty supervisor for either shift. An employee designated by the City as acting in the capacity of a Police Sergeant shall receive a 5% increase to base pay, providing the assignment and responsibility is for four (4) or more hours of continuous duty. The 5% increase to base pay shall be computed and applied on an hourly basis.

A specialty pay cap of fifteen percent (15%) shall apply; however, bilingual and officer-in-charge pay will not apply toward this cap.

G. Educational Incentive and POST Incentives

1. The City shall offer an academic educational incentive program with a maximum cumulative ceiling of five percent (5%) of base salary for Police Sergeants and seven and one-half percent (7-1/2%) of base salary for Police Officers. Only certificates and degrees granted by accredited institutions which are above their minimum education requirement of the employee's position and enhance the employee's abilities and contributions will be considered. College units obtained to qualify for an incentive cannot be compounded to qualify for an additional incentive. ARTICLE 7 – LEAVE

A. Absence from Duty

The absence of an employee from duty shall be reported to the Police Chief. The reasons for the absence, if known, shall be stated. The return of an employee to duty shall likewise be reported. Unauthorized absence from duty is sufficient cause for discipline up to and including termination of employment. Unauthorized absence from duty for five (5) consecutive scheduled work shifts shall be deemed a resignation from City employment.

B. Sick Leave

Sick leave shall be considered as a privilege by an employee to use at his/her discretion as provided herein.

Police Officer Trainees shall accrue 2.77 hours per pay period while in the Academy. Police Officers shall accrue 2.77 hours per pay period for the first four (4) years of service and 3.69 hours per pay period thereafter. Police Sergeants shall accrue 3.69 hours of sick leave per pay period. If any employee does not take the full amount of sick leave allowed in any calendar year, the amount not taken may be accumulated from year to year without limit.

Sick leave accrual, if available, will be used for the following circumstances:

- a) The absence from duty of an employee because of his/her illness, pregnancy or related complications, quarantine due to contagious diseases.
- b) The absence from duty of an employee due to the preventative care, diagnosis, care or treatment of a health condition of the employee's family member or other purposes authorized by Labor Codes Section 246.5 (leave for victims of domestic violence, sexual assault, or stalking).. For the purposes of this provision, family member shall be restricted to the employee's biological parent, foster parent, adoptive parent, sibling, spouse, domestic partner, child, parent-in-law, brother-in-law, sister-in-law, grandparent, grandchild, step parents, stepchildren, step sibling, where there is a child rearing relationship, or a person who stood in loco parentis when the employee was a minor child.
- c) Medical appointment of an employee.
- d) The absence from duty of an employee due to medical appointment or illness of his/her spouse, domestic partner, child or parent to the extent provided by California Law (specifically AB 109, known as the "Kin Care" legislation effective in 2002, and SB 1471 as enacted in 2003)..
- e) The City of Grass Valley may allow the use of sick leave due to the illness/medical appointment of other relatives of the employee, if such relative is living in the same

household as the employee.

Sick leave due to a medical appointment must be approved in advance by the employee's immediate supervisor. Other leaves provided for due to illness or medical complications shall be provided consistent with other leave conditions herein and within the Federal and State Family Leave Acts.

If absence from duty by reason of sickness extends beyond the period of three (3) consecutive working shifts, the employee may be required to file, with the Human Resources Office, a certificate of sickness or disability prepared by a regular, licensed and practicing physician prior to entitlement to sick leave pay. A copy of this certificate shall also be filed with the Police Chief. All employees whose absence from duty because of sickness extends beyond (1) calendar week may be required to provide a weekly report or certificate by a regular licensed and practicing physician to be filed with the Human Resources Office. Certificates filed under this Section shall detail the nature of the sickness and certify the employee's inability to return to work. If no certificate is filed, salary or wages may be withheld from said employee.

The Human Resources Office or Police Chief may require any employee to furnish a certificate of illness or disability completed by a regular, licensed and practicing physician at any time that the Human Resources Office or the Police Chief is aware of information that an employee is abusing the sick leave privilege. No employee will be disciplined for insubordination based on the refusal to work when he/she has elected to use accrued sick leave but will remain subject to discipline for any abuse of the sick leave, dishonesty in use of sick leave or other grounds for discipline arising from inappropriate use or abuse of sick leave.

Notwithstanding any other provision of this MOU, the City shall provide every employee at least as much sick leave as required by California Labor Code section 245 et seq. as it now exists or may be amended during the term of this Agreement. The City shall inform the Employees when it establishes or alters a policy governing the allowance of such leave.

C. Extended Medical Leave (See Civil Service Rules, same title)

Those employees who have been granted an approved extended medical leave shall not be required to provide weekly verification of their medical condition. However, this is subject to the right of the City to require such verification if the City reasonably believes that the granting of medical leave is being abused. Failure of an employee to supply the requested verification of medical condition shall be grounds for terminating extended medical leave.

D. Bereavement Leave

Employees shall be granted leave of absence with pay, not to exceed 60 hours per fiscal year, non-cumulative, for purposes of attending funeral services, making related arrangements for the family or travel to and from the location of services on account of the death of any member of his/her immediate family. Member of the immediate family means the mother, step-mother, father, step-father, grandmother, grandfather, or a grandchild of the employee or of the spouse of the employee and the spouse, son, son-in-law, step-son, daughter, daughter-in-law, step-daughter, brother or sister of the employee, or any relative living in the immediate household of the employee.

It shall be the responsibility of the department to account for such leaves, and leaves of more than 60 hours, if approved, shall be charged against sick leave or other leave accumulations.

E. Vacation Leave

Vacation leave will begin accruing immediately upon active service and may be used following completion of (6) months of continuous service. Police Officer Trainees will not be eligible until completion of the POST academy and appointment to active service with the City of Grass Valley Police Department as a Police Officer. For each completed pay period of service and employee shall receive credit for vacation pay in accordance with the following schedule:

Up to four (4) years,..... eighty (80) hours per year (3.08 hours per pay period)

49 months to 12 years, one hundred twenty (120) hours per year (4.62 hours per pay period)

145 months and over,.....one hundred and sixty (160) hours per year (6.15 hours per pay period)

Employees with more than 20 years of service as of July 1, 2023 shall continue to receive one hundred and eighty (180) hours per year (6.92 hours per pay period).

Each and every credit of vacation earned by an employee shall be vested to such employee at the conclusion of each pay period of service.

Employees shall be permitted to accumulate accrued vacation hours until reaching the maximum limit 380 hours. Once the employee has reached the maximum limit, vacation accruals over the maximum hour limit will automatically be converted to, and deposited in, a sick leave bank for retirement service credit conversion. The banked sick leave shall only be used to convert to PERS service credit at retirement from the City of Grass Valley. Should the employee utilize all sick leave accruals, all CTO accruals and all but up to 56 hours of Holiday leave, he/she will be entitled to utilize the banked sick leave hours for illness and/or extended medical leave.

Vacations will be scheduled in December and June of each year for the six-month period following the sign-up period. If staffing levels require vacations to be denied, additional time or banking of time will be granted based on a request of the Chief to the City Manager.

Employees may request payment in lieu of vacation accrual in December of each year for the following calendar year. The maximum vacation buyback shall be eighty (80) hours.

Elective cash-out provisions:

1. Employees utilizing this provision will be required to submit an irrevocable election form by December 31st of the calendar year prior to the calendar year in which the vacation hours to be cashed out are earned.
2. Employees that have submitted an irrevocable election form may submit a vacation cash out request form at any time during the calendar year in which the vacation hours are earned.

3. The actual payment of the requested hours cannot occur until the hours to be cashed out for that calendar year have accrued. Cash-outs for hours accrued in prior years are not allowed.
4. Employees that submitted an irrevocable election form in the prior year but did not submit a cash out request shall receive their vacation cash out by the last paycheck of the calendar year in which the vacation hours are earned.
5. Payment will be issued at the employee's current regular rate of pay at the time the payment is made.

F. Holidays

Employees will accrue a maximum of 132 holiday hours each calendar year at an accrual rate of 5.07 hours per pay period. Employees may schedule holiday time off in accordance with Department procedures. Police Officer Trainees will not be eligible until completion of the POST academy and appointment to active service with the City of Grass Valley Police Department.

Hours accrued but not used by the end of the last full pay period in November each year will be cashed out at the employee's regular hourly rate of pay and paid to the employee in the first pay date in December each year.

A payout of hours accrued but not used by the end of the last full pay period in May of each year will be cashed out at the employee's regular hourly rate of pay and paid to the employee in the first pay date in June each year.

G. Jury Duty Leave

An exempt employee shall be paid his/her normal salary for each work day, or portion thereof, he/she is required to be in jury duty. Any money, less travel expenses, received by the employee for jury duty shall be remitted to the City by the employee.

H. Community Service and Professional Organization Participation

The City encourages employees to participate and be involved in community service and professional organizations.

Upon approval by the City Manager, the City may make a reasonable amount of paid release time available for employees to represent the City and to participate and be involved as a member or officer in a community service, professional organization, excluding fraternal organizations. Further, the Council recognizes that certain expenses may be incurred by an employee to be an active member or to participate in such an organization. Therefore, upon approval by the City Manager, the Council shall budget and pay or reimburse, on behalf of the employee, expenses for his/her membership and attendance of such costs as dues, fees, assessments or charges associated with participating in the organization up to \$250 per fiscal year.

I. Family and Medical Care Leave

Regular full time employees, with more than one (1) year of continuous service, or have worked more than 1250 hours during the previous 12-months, may request an unpaid Family and Medical Care Leave of absence of up to 12-weeks in any one continuous 12-month period. This leave may be taken for the birth or adoption of a child, to care for a child, spouse or parent who has a serious health condition or for the employee's own health condition that makes the employee unable to perform the essential functions of their job. If this leave is granted, upon the employee's return, the employee will be reinstated to the same or a comparable position as the position held before the leave. Available accruals must be used for such leaves. For leaves related to an employee's own serious health condition, or that of an eligible family member, sick leave will be utilized first, followed by other accruals (i.e., holiday, CTO, vacation). If all available accrual is depleted, an employee may continue on an unpaid leave until the 12-week maximum leave is taken. If an employee desires to take an FMLA leave not associated with the serious health condition of him/herself, or an eligible family member, sick leave hours accrued may not be used (i.e., adoption of a child, birth of a child).

An employee may elect to keep forty (40) hours of sick leave in their accrual bank prior to taking unpaid time off.

Whenever possible, the employee must provide at least thirty (30) calendar days written notice that the employee wishes to take this leave of absence. When this is not possible, the employee must notify the City, in writing, as soon as possible. Failure to comply with these notification rules may result in the denial or deferral of the requested leave until the employee complies with the notice provisions.

The City will require the certification from the health care provider who is attending to the serious health care condition of the employee, employee's child, spouse or parent before allowing the employee to take a leave to take care of that family member. If there is a question concerning this certification, the City reserves the right to require additional certification(s) at City expense.

Unless otherwise agreed to by the City, any Family and Medical Care Leave must be taken in segments of one (1) full workday.

If the employee is pregnant, the employee has the right to take a maternity leave and some amount of Medical Care Leave. The employee should check with Human Resources to determine eligibility under such circumstances.

The cost of the employee's health care coverage while on a Family and Medical Care Leave less any portion of the premium the employee is required to pay will be paid for by the City for up to twelve (12) weeks. If the employee does not return from leave, the employee will be responsible for reimbursing the City for the insurance premiums paid on the employee's behalf.

While the above provisions will apply to most employees in most circumstances, there are certain exceptions under which the City may refuse to grant a Family Care Leave.

2. An employee, who is assigned a rotational shift that has 50% or more of hours worked between 5:00 p.m. and 5:00 a.m., shall be paid an additional night shift differential of five percent (5%) of their hourly adjusted base wage, for all hours worked outside of the rotational shift (I.E.: Court, shift shortages, training, Departmental needs etc.), up to a maximum of 3 months.
3. The above provisions are subject to change by the Chief of Police or his designee, on a case-by-case bases, to ensure appropriate application of these provision and to suit the needs of the department.

E. Rules for Use of Salary Schedule

1. In the general schedule of pay ranges established by the City Council each classification within a department has an applicable range consisting of five steps.
2. All appointments from an eligibility list will enter the probationary periods at the base salary of the range applicable to the job. The City Manager and Chief of Police may recommend elevation above the entry level step to compensate for education and experience.
3. All employees shall be eligible for a merit step increase to the next step in pay range every twelve (12) months until the end of his or her pay range, if recommended by the Chief of Police and approved by the City Manager that such employee's job performance satisfies the City and department standards relating to such employees.
Employees denied a merit increase will be eligible for reconsideration no later than three (3) months following their initial review date.
4. An employee promoted from a promotional eligibility list to a position in a higher pay range will be placed at the minimum of the new range, or at a level in the new range to provide a minimum 5% increase in the regular rate of pay. Any new pay rate upon promotion may not exceed the top of the pay range. The date of the promotion will establish a new anniversary date for the employee's future merit increases. Should a promotion occur concurrently with the employee's evaluation, and the employee is eligible for a merit increase, the merit increase is to be included in the base salary before the promotion.
5. Upon reduction in force, permanent employees may be appointed to a classification with a lower pay range. An employee assigned by management to a position in a lower classification shall be placed at the step in the new range to provide an approximate 5% decrease in regular pay. The anniversary date for future merit increases will be the date of the appointment to the lower classification.
6. Allocation to a class with Lower Salary Range: If the salary range of the new class to which an employee's position is allocated has a maximum step lower than that of his/her current class, but not lower than his/her actual salary, he/she should continue to receive his/her present salary until his/her next anniversary date, which remains unchanged, at which time he/she would be eligible for a merit increase in the new range. If the top of the new range is lower than the current salary, then the salary will be reduced to an amount not to exceed the top of the new range effective the next full pay period one year from the re-allocation date.

7. A reclassification may result if the job, responsibilities, duties, requirements, skills change to a degree that the position needs to be placed in a new classification. If the reclassification impacts only the incumbent employee and the employee is qualified for the position, they will be placed in the position. If more than one employee is impacted and each is qualified, an internal review of the employees will be completed to select the best qualified person for the position. A reclassification will result in the elimination of the old position if it is a single person position and be replaced by the new position, as by the very process the position has fundamentally changed. A reclassification is not a promotion and does not carry with it an automatic pay increase. If the employee's salary is currently below the minimum of the new range, the employee's salary will be increased to meet the minimum of the new range. A reclassification will not change the employee's annual evaluation date. The employee will be able to move through the new pay range based on the normal evaluation and merit process.

B. Procedures

All grievances shall be processed only in accordance with the procedures and general conditions set forth below:

It is the intent of these procedures to encourage resolution of complaints and grievances informally, at the nearest practical organizational level from which it emanates, and as promptly and fairly as possible to all concerned.

(Exception: where the grievance directly involves the working relationship with the supervisor, the grievance shall be presented to the next higher level of supervision). The employee and supervisor have a mutual responsibility to have the grievance resolved at their level whenever possible.

Presentation of an informal grievance shall be necessary prior to processing it further as a formal grievance.

Formal Grievance:

A formal grievance shall only be initiated in writing to each appropriate step of the grievance procedure with a copy to the Human Resources Office.

Step 1:

If a mutually satisfactory solution of the grievance was not resolved informally, the employee may file a written grievance with his/her department head (or designated representative) within five (5) working days/shifts after the last meeting between the employee and supervisor. Within ten (10) working days/shifts after the formal grievance is received, the Department Head shall investigate the facts and issues at the earliest date consistent with the nature of the grievance and the normal conduct of the department's business. Within five (5) working days/shifts after concluding the investigation, the Department Head shall render a decision in writing to the employee and Human Resources Office.

If the employee finds that the grievance has not been resolved in Step 2, he/she may, within five (5) working days/shifts after the City Manager's decision is rendered, request in writing to the Personnel Commission that they consider the grievance and decision rendered by the City Manager. Within fifteen (15) working days/shifts after the grievance is received, the Personnel Commission shall commence conducting the review. The Personnel Commission shall determine the best means to conduct the review of the facts, issues and such further investigation as is necessary at the earliest date consistent with the nature of the grievance and normal conduct of City business. Within five (5) working days/shifts after concluding the review, the Personnel Commission shall render a decision in writing to the employee, City Manager, Department Head and Human Resources Office.

Step 4:

Within fifteen (15) working days/shifts after the grievance is received, the City Council (or their designated representative(s)) shall commence conducting the review. The City Council shall determine the best means to conduct the review of the facts, issues and such further investigation as is necessary at the earliest date consistent with the nature of the grievance and normal conduct of City business. Performance Appraisals and merit step determinations are not grievable matters, except as provided herein. Performance appraisals and merit increase concerns should be brought forward to the Human Resources Office, with a final determination to be made by the City Manager. If an employee does not receive a due evaluation within a month after the due date, the employee may file a grievance.

ARTICLE 18 – SAFETY

A. Safety Equipment

The City may make such protective clothing or other protective devices available to employees as the Police Chief deems appropriate under the circumstances. Any employee issued such protective clothing or other protective device is responsible for the proper care of these items.

B. Employee Alertness

(1) The most effective safety equipment an employee possesses is an alert mind. Conversely, an employee whose judgment, reactions and analytical processes are impaired or influenced by

alcohol or drugs poses a risk to himself/herself, his/her fellow officers and employees, and to the public. The City, therefore, expressly retains the right as explained in this Article to verify that employees covered by this MOU are alert and are not under the influence of alcohol, controlled substances, drugs, or other conditions which would tend to affect or impair judgment, reactions or thought processes.

(2) The parties recognize the problems associated with alcohol and drug abuse in the work place and recognize the safety hazard which would be presented if an employee worked while under the influence of alcohol, intoxicating drugs or controlled substances. The parties further agree that a testing procedure with both privacy and accuracy safeguards is one appropriate means to protect the safety of employees.

C. Drug, Alcohol and Substance Abuse Policy

(1) The City reserves the right, for reasonable suspicion, to require an employee to submit to drug, alcohol or substance abuse testing.

(2) "Reasonable suspicion" for purposes of this Article includes, but is not limited to the following:

- (a) A critical incident has occurred while on duty for the City or at the employee's work location.
 - (i) An accident involving a City vehicle or equipment causing damage to property or persons, in combination with any factors in (b) below.
 - (ii) Employee manifests mental or physical impairment sufficient to raise doubt that normal tasks can be safely or effectively performed.
 - (iii) Employee is observed with illegal drug or drug paraphernalia in possession for possible sale or use; employee is observed with open container of alcohol in work area or vehicle.

- (b) Documented objected facts and a reasonable inference drawn from those facts that an employee is under the influence of drugs, alcohol or substance. Such objective facts may include characteristics of the employee's appearance, behavior, mannerisms, and speech or body odors. Components of such documentation should include:
1. equilibrium,
 2. manner of speech,
 3. mental reactions,
 4. odor of intoxicants on breath or clothing,
 5. eyes,
 6. general appearance,
 7. physical actions, and
 8. work behaviors.

D. Employee Assistance Program

The City shall maintain an Employee Assistance Program (EAP) for employees and family members. Such program shall endeavor to provide counseling services for personal and family member problems related to marital/family, relationship problems, alcohol or drug abuse, stress related problems, depression, and other types of psychological problems, for employees in need of such referral and intervention.

E. Coverage

The City recognizes the hazards associated with the police profession and will provide adequate staffing to protect the public and attempt to make certain that employees covered by this MOU are not exposed to undue or unnecessary hazards. The Police Chief shall determine the appropriate staffing using these basic principles. Additional staffing over and above authorized current staff levels is subject to City Council approval.
