Title: Consideration of Waste Management's annual fee adjustments and new fees for service

Recommendation: That Council adopt Resolution 2023-22 adjusting service rates to Waste Management's fee schedule

Prepared by: Zac Quentmeyer, Deputy Public Works Director

Council Meeting Date: 6/13/2023

Date Prepared: 6/6/2023

Agenda: Consent

Background Information: In 2012, the City entered into a 20-year franchise agreement with Waste Management to provide for a full range of solid waste, recycling, and green waste services. The original resolution included service rates and specific services Waste Management was to provide to the City. Attached are two letters from Waste Management to amend the fee schedule to address the following:

1. Annual CPI adjustments of 5.46% for services and 3.99% for the disposal gate fee at the transfer station. These rates are consistent with the existing agreement and will commence July 1, 2023.

Council Goals/Objectives: The execution of this action attempts to achieve Strategic Goals #4&5 - Economic Development and Vitality and High-Performance Government and Quality Service for the FY 2023/24.

Fiscal Impact: Increased service fees for residents and businesses, but consistent with the Contract
