**Background Information:** Staff for Nevada County Transportation Commission (NCTC) have prepared a draft Overall Work Program (OWP) for FY 2022/23. The OWP is prepared on an annual basis as a scope of work and budget for transportation planning activities for the fiscal year. The OWP is a requirement of NCTC's Master Fund Transfer Agreement with the State of California and includes the following three components: Introduction, Work Elements, and Budget. The purpose of the proposed OWP for FY 2022/23 is to: 1) show how the Federal Planning Factors will be integrated into the OWP work elements; 2) outline continuing and new major activities; and 3) present a summary of the expected revenues and expenditures for the fiscal year. A final OWP will be presented at the May 18, 2022 NCTC meeting.

Adoption of the attached Resolution is recommended, approving the proposed projects for inclusion in the Nevada County Transportation Commission Overall Work Program.
