Council Meeting Date: 6/28/2022

Agenda: Consent

Background Information: Grass Valley is eligible for an estimated Local Transportation Fund (LTF) apportionment of \$514,877, based upon NCTC's Revised Findings of Apportionment adopted on May 18, 2022, which shows an estimated City population of 13,617. These funds are managed by the NCTC and are committed to first support the needs of transit and paratransit activities per a Joint Powers Agreement with Nevada City and Nevada County. The Nevada County Board of Supervisors held its FY 2022/23 final budget hearings on June 21, 2022 and approved the budget, including the Transit Services Commission (TSC) FY 2022/23 budget.

The Nevada County Transit Services Division (TSD), in the attached letter from TSD Manager, Robin Van Valkenburgh, has requested that the City submit a claim to NCTC to allocate the City's entire FY 2022/23 estimated apportionment of LTF to support transit and paratransit services. Attached is a resolution that would fulfill that request.

Also attached is the NCTC Resolution 22-12 regarding "Revised Findings of Apportionments FY 2022/23"

Council Goals/Objectives: Approval of the LTF Claim for Transit and Paratransit Operations executes portions of work tasks towards achieving/maintaining Strategic Goal - City Infrastructure Investment.

Fiscal Impact: 100% of Local Transportation Funds apportioned to the City by NCTC will be allocated directly to Nevada County TSD, resulting in no net impact to the City's budget.
