

Title:

AARP Networks of Age Friendly Communities Certificate of Induction

Background:

AARP in conjunction with United Way of Weld County is proud to present the City of Greeley with a certificate of induction into the AARP Network of Age-Friendly Communities. This network includes over 500 communities across the nation and six states, Colorado being one of those, that have chosen to emphasize age-friendly needs in their communities when looking at long-term planning, transportation, housing, health care and community engagement.
