A group of seven people, including children and adults, are standing in a grassy park area. They are gathered around a newly planted sapling. Some are holding shovels, and there is a pile of mulch on the ground. In the background, there are trees, a playground, and a clear blue sky. A semi-transparent blue rectangle is overlaid on the center of the image, containing white text.

“If you belittle what you
have...it becomes less.
If you appreciate what
you have ...
it becomes more.”
