*A Story Best Lived In.*

An aerial photograph of a city, likely Denver, with a large white banner overlaid in the center. The banner has a torn, ragged edge effect. In the background, there are snow-capped mountains under a clear blue sky. The foreground shows a cityscape with various buildings, including a large brick building on the left, and green spaces with trees showing autumn foliage. The banner contains a quote in bold, italicized blue text.

***Coming together is a beginning,  
keeping together is progress,  
working together is success.***
