### Title:

Consideration of a Resolution concerning the proposed City of Greeley, Colorado, first-lien sewer improvement revenue bonds Series 2022; authorizing the receipt of competitive bids for the Series 2022 Bonds, including the use of an electronic bidding system therefor; and prescribing certain details concerning such public sale of the Series 2022 Bonds

### Summary:

The resolution for City Council consideration is to authorize and approve the issuance of the first-lien sewer improvement revenue bonds, Series 2022, in an aggregate principal amount not to exceed \$25,500,000, bearing interest at the rates and maturing on the dates and in the amounts to be set forth in a final terms certificate, and on the terms and conditions provided in the general and series ordinances of the City. The Series 2022 Bonds are being issued for the purpose of acquiring and constructing additions and improvements to the Sewer System. These projects will need to be partially funded through bond revenues.

The Resolution states that the City of Greeley authorizes and approves the issuance of the Series 2022 Sewer Revenue bonds, recognizing that the issuance of these bonds will impact the Sewer Fund's debt service payments and the rates required to support those payments. Water and Sewer Department Staff, in partnership with the Finance Department and the City's Financial Advisor, have reviewed and approved the debt service requirements of the proposed bond issuance in alignment with the rate structure approved by City Council. The proposed issuance of these bonds also maintains an appropriate bonding capacity of the Sewer Enterprise fund for future bond issuances in accordance with the approved Water and Sewer Capital Improvement Plan. The Water and Sewer Board has also approved the issuance of these bonds at their November 17, 2021 meeting.
