Title:

Introduction and first reading of an Ordinance re-authorizing various Boards and Commissions for three years

Summary:

Section 2-8 of the City Charter provides that Council is to review its appointed advisory groups every three years and determine whether the board or commission continues to serve the purpose for which it was created and decide whether or not to authorize its continuance.

This provision was added to the Charter in 2001 and a staggered schedule was developed for reviewing one-third of the groups each year. Reauthorization has been approved for all groups since the addition of this Charter amendment.

The early process for triennial reviews included a Work Session meeting between Council and each Board to discuss Board accomplishments, goals and continued relevance. After several cycles of meeting with Council every three years, boards began preparing a written report for Council's review instead of the verbal report at a Work Session. Currently, Council receives an update of Board activity and plans through the quarterly Department Updates. Any programs or issues a Board or the Council would like discussed has been and can continue to be scheduled as needed.

The attached Ordinance re-authorizes the groups scheduled for a triennial review in 2021. An Ordinance is appropriate for the re-authorization because each group was initially authorized in the same fashion.
