

15th Ave Ct Underpass of US 34 Bypass – Hillside/Farr Park Neighborhoods

Public Works

May 23, 2023

November 1, 2022, Council Initiative 16-2022:

- Initiated by Councilmember Clark
- Safety concerns of underpass

Agenda:

- Overview of Underpass
- Draft Plan
- City Council Questions & Feedback
- Next Steps

Figure 2: ProjectLocationMap

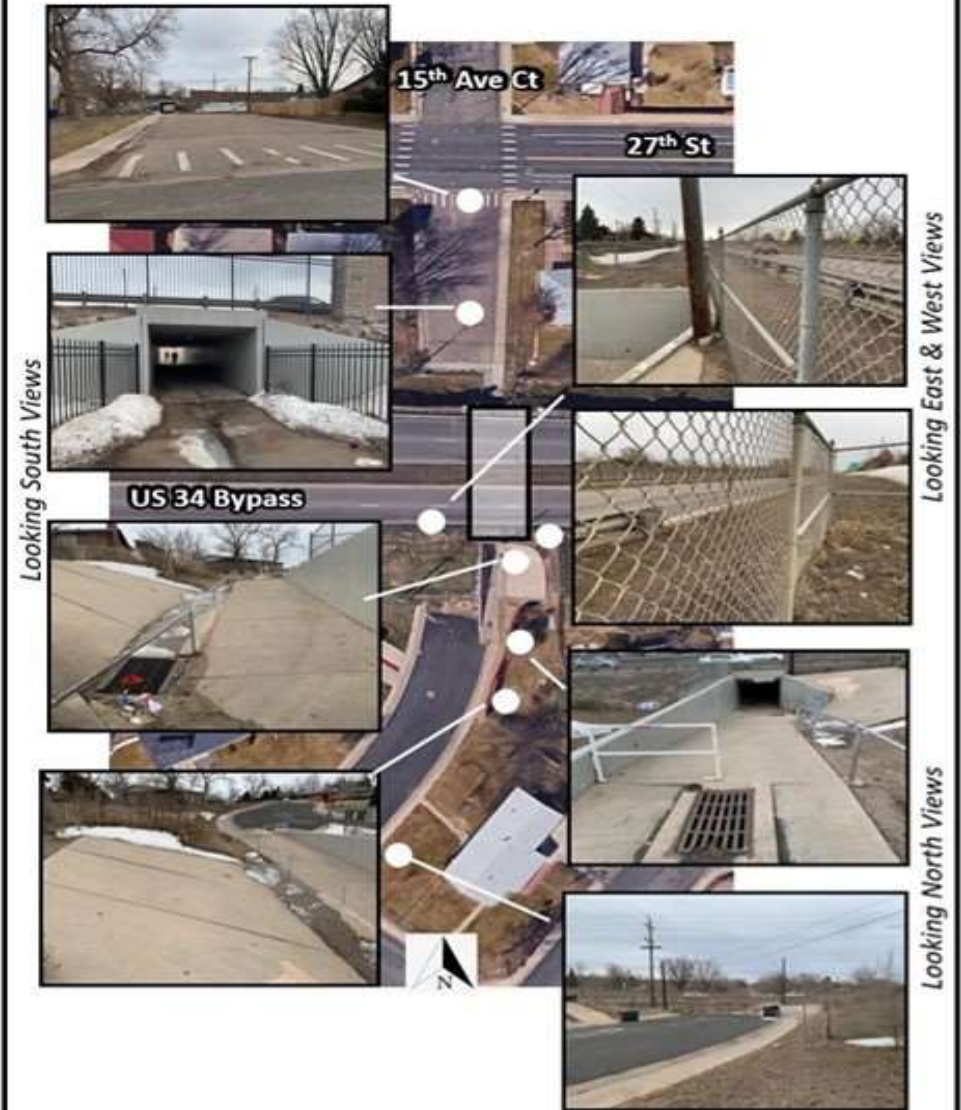

- Neighborhood Meeting on January 25, 2023
- Feedback – Strong support to Keep and Improve Underpass

Current Underpass

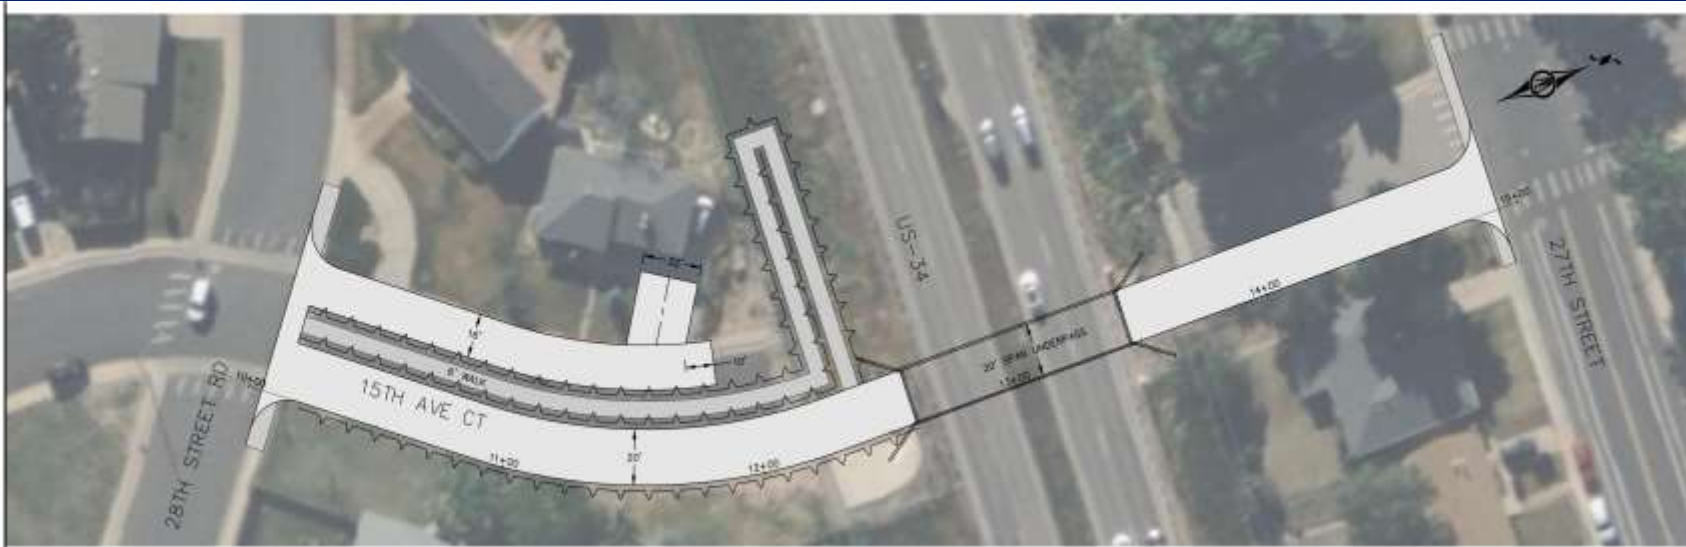

- 8ft Height x 10ft Width
- Inadequate Space for Pedestrians/Bicyclists
- Limited lighted
- Difficult Emergency access

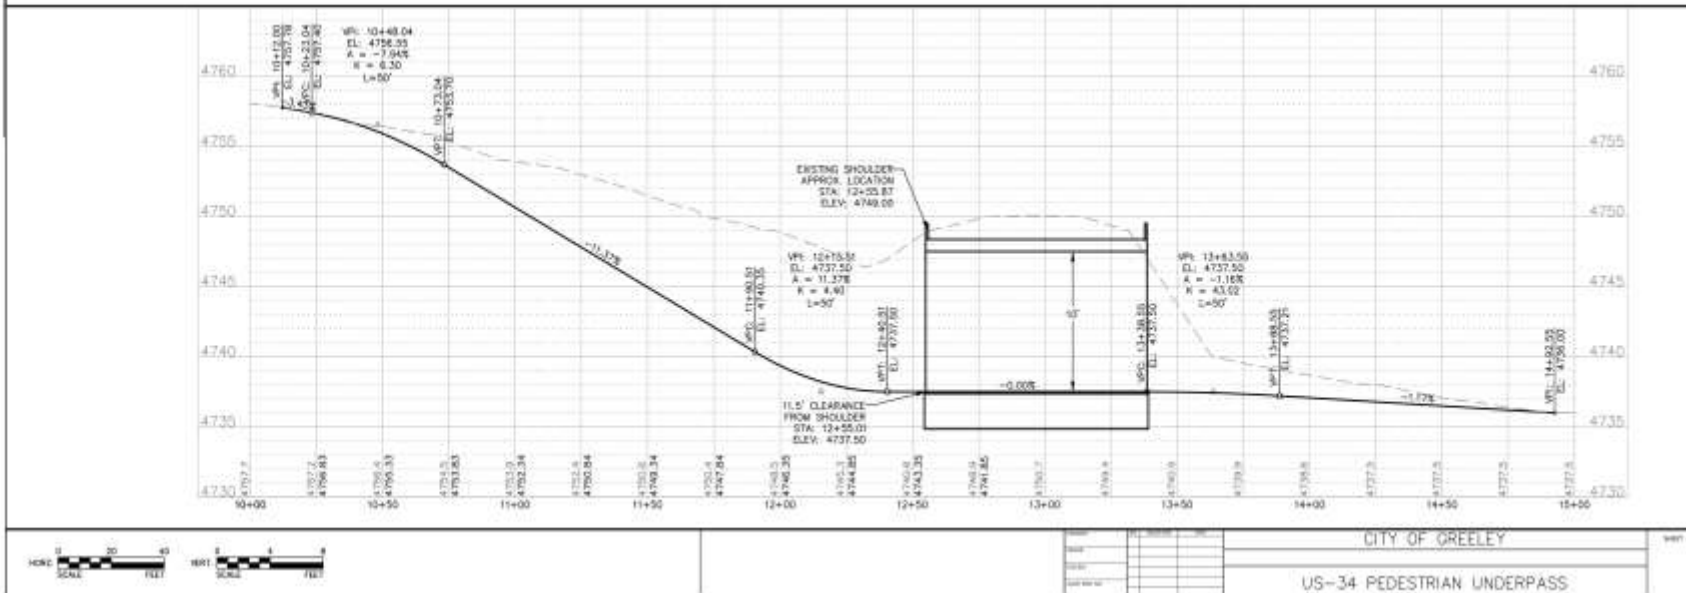

UNC – Greeley Mall Underpass Project Pictorial Views

New Underpass Draft Plan

- 10ft-Height x 20ft-Width
- Improved Lighting, Accessibility, and Safety
- Free-flow for Peds/Bicyclists
- Provides critical Ped/Bicycle connectivity in east Greeley

Next Steps

- **New Underpass Planned for Construction in 2025**
- **Cost Estimate is \$4.0 Million**
- **PW seeking grant funding to support construction**
- **Follow-up Neighborhood meeting in June 2023**
