| 03-2021        | Hall                      | Request for formation of a committee, to be chaired by Council Member Hall, regarding the section of the Poudre River Trail known as the Narrows. This section is facing increasing risks of erosion, with some portions in danger of falling into the river, and no available alternative areas for trail placement in that vicinity. The School of Mines will do a project to work on some engineering solutions for the area, in addition to other engineering studies that have already been done. The committee will review and determine options to move forward in addressing this with the assistance of City staff. City Manager Otto added information about potential Capital Improvement Projects through this area, and Council Member Hall provided information about existing potential rough cost estimates. | February 2, 2021<br>Council Meeting            | <p>Update 12/7/2021<br/>Council Member Hall reported in the last 6 months, 30 feet of trail has started becoming undermined and must be shored up immediately, likely requiring some short term dollars while awaiting a longer solution.</p> <p>Update: 04/20/2021<br/>Council Member Hall reported the committee had its first meeting and he is pleased with engagement from City staff and the community.</p> <p>A committee, chaired by Council Member and Poudre River Trail Corridor Chairman Hall, has been formed with representatives from the Poudre Trail Corridor Board, Culture, Parks and Recreation/Natural Areas and Trails, Public Works, Water and Sewer, the Poudre River Run Master HOA, a member of the Parks and Recreation Advisory Board, and a representative from the Ditch #3 Board. Committee Chairman Hall has also referenced initial communications with Otak Engineering, a consulting firm who produced</p> | Kelly Snook  |
